- **Old Business: Update on Combs Trucking**

Bob Seyfried presented an update on Combs Trucking. Bob states that Lou Ethridge, Ray Autenrieb and himself met with Donnie Combs. The conclusion of the meeting resulted in Donnie Combs wanting a letter from CED stating that Goshen Township does not have any judgments against him at this time. The November 25th meeting was canceled due to the agreement of drafting the requested letter.

Tom Risk stated he would like to make a proposal that the nuisance along the right of way be taken care of. Tom will ask Lou Ethridge to get with the prosecutor's office in reference to drafting a resolution in declaring a nuisance on

any properties that constantly violate the right of way. And if this can be done it will give the Township Zoning and or the Road Department the authorization to remove and abate the nuisance. This will cover any road within the Township. This will be for commercial purposes only.

There are 2 other issues to address and that would be 2 seats coming up. Bob Hausermann's replacement, Elben Miller's term is up, also Rob Haeufle term is up due to alternates are for only one year. The decision of replacement is done by the Township Trustees.
