Chairperson Tom Risk stated that Lee Lewis was to acquire information on this PUD and was unable to so we need to table this for now.

Chairperson Tom Risk also stated that Ed Meyer with BP on Goshen Road was to be present to discuss adding onto a storage building on his back property. Elben stated he spoke to him and that he didn't think he would be in today. Elben presented what he knows about the request. This was discussed in great length on what the board would like to see but nothing was decided or voted on.
