Your Destination for Family, Office and Retail

One of the largest townships in Ohio, Green Township has fast become a premier destination for office, retail and families. In just over a decade the township has added:

- **nearly one million square feet of medical office space**
- **thousands of jobs**
- **one-half billion in new business investments**
- **\$20 million spending on infrastructure and beautification.**

Rendering of the new North Bend Road overpass for 2017.

Green Township trustees are committed to investing in infrastructure and beautification in the commercial corridors to accommodate township growth. **Recent partnerships with the Ohio Department of Transportation and Hamilton County Engineer will infuse more than \$20 million in business corridors.** Projects include widening the North Bend Bridge to improve access to the area's largest employers, and I-74 streetscape beautification.

Located in western Hamilton County, Green Township is ideally situated in the Ohio/Indiana/Kentucky region. Major interstates provide quick access to downtown Cincinnati, the Cincinnati/Northern Kentucky International Airport, Indianapolis, Dayton, Columbus and Louisville.

Your Family-Friendly Destination

A popular draw for families is Greenshire Commons. This \$75 million project with three subdivisions and 230+ homes is attracting families who crave "the tight-knit family and friends feeling for which the west side is famous." (*Cincinnati Business Courier*, 12-2-16)

The township boasts the Northwest Local School District and the Oak Hills School District which has eleven straight "Excellent" ratings on the state report card, robust parks and recreation, and homes that maintain their values. All of these make Green Township a sought-after destination for young families and empty nesters alike.

Your Business-Friendly Destination

Retail-friendly destination

With unprecedented growth in the residential and office market, Green Township has an ongoing need for more retail and restaurants.

The Harrison Greene Development is the newest example of the booming potential for retail success. Located in the 139-acre Harrison Avenue Entertainment District: *Harrison Greene is a lifestyle center with "a gang of restaurants....with a big office complex and road improvement project on deck."*

Cincinnati Magazine, October 2016

Those who live and work in Green Township have flocked to the Harrison Greene, allowing many of the brands to perform at the top of their sales in the region. This successful lifestyle center is proof that the office crowd and homeowners choose to spend in the community in which they work and live.

Office-friendly destination

An explosion of growth in office development, including nearly one million square feet of medical office space in the last decade, have made Green Township a viable contender for companies seeking a footprint in western Hamilton County. The region's population growth provides businesses with a wealth of excellent employees and expendable incomes. It's the reason many of Cincinnati's most respected and esteemed companies have locations in Green Township.
