We got together and tried to plan good dinners and entertainment that we would all enjoy. Thanks for your participation in the past.**

Bill says "I want people to feel like they're hearing the original artist. I want you to close your eyes and see Sinatra or Darin." Well, I look forward to your participation at the dinners in 2018. It is always a good occasion when you can eat a great dinner, be with old and new friends, enjoy being entertained by talented people, and just have fun being together.
