

Community Input: 2015 Review of Comprehensive Plan

Lake Lure's town leaders want to hear from you. We are evaluating our progress under the 20-year Comprehensive Plan adopted in 2007. Now that you've read the ***State of the Town*** message (www.stateofthetown.com), your responses to the 4 questions below will tell us what you're pleased about and what is important to you going forward. We have also left room to include other projects that may not be on either list. **This survey will remain open until Monday, October 12th at noon.**

* 1. The following thirteen projects have been completed over the last 10 years. Please rank them (1 to 13) according to their positive impact on the community, (1 being the most positive on our quality of life and local economy).

		Ingles Supermarket
		K-12 School (Lake Lure Classical Academy)
		Washburn (Town) Marina renovations
		Medical Services (MAHEC)
		Lake Lure Flowering Bridge
		Increased Transparency (of town finances, plans, website)
		Parks & associated improvements (Morse Park, Donald Ross Nature Trails, Buffalo Creek Park, Pool Creek Park)
		Creation and adoption of the 2007-2027 Comprehensive Plan
		Small Area Plans and designs (e.g., Town Center Master Plan, NC 9 Master Plan, Rocky Broad Gateway Plan, Dam Overlook Park Plan)
		Sewer Line Joint Repairs in Lake
		Creating a Lake Operations Department (Lake Operations Director)
		Lake Lure & Chimney Rock Village branding (banners, logos, market study, community promotions, etc.)
		Cooperative partnerships with Chimney Rock Village

2. Add any other accomplishment not listed above that has had a positive impact in the community.

Community Input: 2015 Review of Comprehensive Plan

* 3. Please rank the following projects being considered (1 to 12) based on the positive impact you think each will have on the community over the next 5-8 years (1 being the most positive).

<input type="checkbox"/>	<input type="checkbox"/>	Construct GreenLine (new sewer line from Lake Lure to Spindale's treatment plant) and de-commission Lake Lure's wastewater treatment plant
<input type="checkbox"/>	<input type="checkbox"/>	Enact and fund an annual dredging program
<input type="checkbox"/>	<input type="checkbox"/>	Construct pedestrian walkway between Lake Lure and Chimney Rock Village
<input type="checkbox"/>	<input type="checkbox"/>	Build a community center that could include an auditorium, event space, fitness area and indoor pool
<input type="checkbox"/>	<input type="checkbox"/>	Expand the commercial tax base with new business growth in the town center and NC Hwy 9 corridor
<input type="checkbox"/>	<input type="checkbox"/>	Develop a true town center and Main Street in Lake Lure
<input type="checkbox"/>	<input type="checkbox"/>	Add full-time residents of all age groups and categories
<input type="checkbox"/>	<input type="checkbox"/>	Construction of the new entrance planned for the State Park (patrons will enter the park through the Lake Lure town center and exit through Chimney Rock Village)
<input type="checkbox"/>	<input type="checkbox"/>	Facilitate closer integration and cooperation between Rumbling Bald Resort and the Town
<input type="checkbox"/>	<input type="checkbox"/>	Add paved shoulders to roadways for safe walking and cycling
<input type="checkbox"/>	<input type="checkbox"/>	Complete the Summits Trail System (30+ mile trail on ridges that surround the lake)
<input type="checkbox"/>	<input type="checkbox"/>	Re-purpose the municipal golf course

4. Add any other projects not listed above that will address issues and concerns that matter to you. In other words, what else would you like the Town to spend time and resources on to keep Lake Lure the gem that it is?

Thank you for providing your input to Lake Lure's bright future. The results will be evaluated by Town leaders and introduced at an upcoming public workshop where we will be developing a 5-8 year Vision for Lake Lure.

MARK THE DATE: Monday, October 19th, 1:00 to 4:30 pm - *Lake Lure Visioning* workshop
