Lake Lucerne

I would like to appeal this Citation. We put the paddle boards in the Lake by the police station and there were no signs about needing a permit. We also passed by the Police Station & there were no signs.

We were visiting from out of town. We love to visit Lake Lucerne but this Citation is uncalled for and makes us not want to spend our travel money there. Please dismiss due to no signs.

Thank You,

Brian Friedman

MINUTES OF THE REGULAR MEETING OF THE LAKE LURE MARINE COMMISSION HELD TUESDAY, SEPTEMBER 12, 2017, 5:00 P.M. AT THE LAKE LURE MUNICIPAL CENTER

PRESENT: Mayor Bob Keith

Commissioner Bob Cameron

ABSENT: N/A

CALL TO ORDER

Mayor Bob Keith called the meeting to order at 5:00 p.m.

INVOCATION

Mayor Bob Keith gave the invocation.

APPROVAL OF THE AGENDA

Commissioner Stephen Webber made a motion to approve the agenda as amended correcting the citation number listed for the hearing from 000986 to 000985. Commissioner Bob Cameron seconded and the motion carried 4-0.

PUBLIC FORUM

Mayor Bob Keith invited the audience to speak during public forum. No one requested to speak at this time.

**a. HEARING- HEATHER WALKER TO APPEAL CIVIL CITATION
NO. 000985**

Heather Walker was sworn in and asked to appeal a citation that she was issued. Ms. Walker explained that there was no signage in the area where she entered the Lake so she was not aware that she needed a permit to use the Lake. Ms. Walker further explained she is from Honolulu, Hawaii. Ms. Walker stated that when she was given the citation, Lake Operations Director Dean Givens provided her with his business card and told her

Page 2 - Minutes of the September 12, 2017 Regular Lake Lure Marine Commission Meeting

he would support her if she appealed the citation since he also believes additional signage is needed in the area to let boaters know that a permit was required. Lake Operations Director Dean Givens was not present to confirm Ms. Walker's testimony.

Commissioner Mary Ann Silvey asked Ms. Walker if she inquired about regulations at Town Hall or an approved launch site and if she has purchased a permit for the Lake since the citation was issued. Ms. Walker testified that she did not purchase a permit for her boat following the citation because she plans to leave the area soon and that she has not used Lake Lure since the date of the citation.

Commissioner Stephen Webber stated that since Ms. Walker had never been on the Lake before and there are no signs in the area that she launched from, a warning may be an effective educational tool. Commissioner Webber made a motion to dismiss Citation No. 000985 issued to Heather Walker and suggested that a sign be placed in a very visible location at the entry point. Commissioner Bob Cameron seconded the motion. Commissioners Stephen Webber, Bob Cameron, and John Moore voted in favor of the motion. Commissioner Mary Ann Silvey opposed. The motion carried to 3-1. A refund check for the citation in the amount of \$50 will be mailed to Ms. Walker at the address listed on the citation.

CONSENT AGENDA

Mayor Bob Keith presented the Consent Agenda and asked if any items should be removed before calling for action.

Commissioner Bob Cameron made a motion to approve the Consent Agenda as presented. Commissioner John Moore seconded and the motion carried 4-0. Therefore, the Consent Agenda incorporating the following item was unanimously approved:

2018 Lake Lure - Lake Commercial License Applications

Order of Priority for Boat Approvals (loading the model to fill up capacity)

Assuming that all applicants meet all criteria established for their commercial class, the capacity model will be loaded with boats in the following order:

FIRST: Boats of resident businesses that were approved in the prior year, provided the business remains in good standing with respect to lake operations and adherence to regulations.

SECOND: Additional boats for resident businesses approved in the prior year, provided:
(a) the business has not reached the individual maximums for # of boats (by class)
(b) the business remains in good standing with respect to lake operations and adherence to regulations.
(c) there is capacity remaining for the desired class of commercial boating activity (additional boats ordered by date of business establishment)

THIRD: New applicant resident businesses, provided there is capacity remaining for the desired class of commercial boating activity.
(a) ordered by date established

FOURTH: Out-of-Area businesses
(a) prior year license holders
(b) additional boats for prior year license holders, provided all conditions from SECOND above are met
(c) new out-of-area businesses, ordered by date established

Notes: (1) a business that does not renew a boat for a year loses their priority position if they decide to return to commercial operations in succeeding years. They will be considered a new business.
(2) a business that transfers owners and does not miss a year of commercial licensing will retain their priority position

(3) *** Applicants that failed to submit application on or before November 1st
Resulting in loss of seniority

Individual Business Maximums:	*over 10hp

Out-of-area businesses:	1	1	1	1	1	2	1	10

"It is the intent of the Marine Commission to limit lake commercial licenses to those business entities which are principally located in the corporate town limits of the Town of Lake Lure. If approved, non-resident commercial business licensees will be allocated one motorized boat permit."

Lake Lucerne

I would like to appeal this citation. We put the paddle boards in the Lake by the police station and there were no signs about needing a permit. We also parked by the police station & there were no signs.

We were visiting from out of town. We love to visit Lake Lucerne but this citation is uncalled for and makes us not want to spend our travel money there. Please dismiss due to no signs.

Thank You,

Brin Fredrick
