

RESOLUTION NO. 20-08-26
SPONSORING THE GENERAL NAVIGATION DREDGING PROJECT

WHEREAS, the Town of Lake Lure Board of Commissioners desires to sponsor the Town of Lake Lure General Navigation Dredging Project. This project is projected to remove approximately 60,000 cubic yards of sediment via dredging from the Broad River and Lake Lure, improving general navigation and boater safety in an area of the Lake that experiences significant impact from upstream sedimentation, impeding access to the Town marina and public launch ramp.

NOW, THEREFORE, BE IT RESOLVED THAT:

- 1) The Board requests the State of North Carolina to provide financial assistance to the Town of Lake Lure for the Town of Lake Lure General Navigation Dredging Project in the amount of \$ 425,000 or 50 percent of project construction cost, whichever is the lesser amount;
- 2) The Board assumes full obligation for payment of the balance of project costs;
- 3) The Board will obtain all necessary State and Federal permits;
- 4) The Board will comply with all applicable laws governing the award of contracts and the expenditure of public funds by local governments.
- 5) The Board will supervise construction of the project to assure compliance with permit conditions and to assure safe and proper construction according to approved plans and specifications;
- 6) The Board will obtain appropriate easements, rights-of-way or suitable dredge material disposal areas that may be necessary for the construction and operation of the project without cost or obligation to the State;
- 7) The Board will ensure that the project is open for use by the public on an equal basis with limited restrictions (if on public property);
- 8) The Board will hold the State harmless from any damages that may result from the construction, operation and maintenance of the project;
- 9) The Board accepts responsibility for the operation and maintenance of the completed project.

READ, APPROVED AND ADOPTED, this 26th day of August, 2020.
