After the transaction of the above matter, Mr. Pearson brought up the matter of blacktopping the first mile of the Buffalo Creek Road beginning at Highway # 74. It was agreed that \$2,000.00 of the money received from the Powell Bill be allocated for this work and the Clerk was instructed to so advise Mr. Flemming Snipes, State Highway Commissioner. The State is to grade and rebuild the road where necessary and keep it up. The only expense to the Town will be the cost of black topping, the estimated cost being \$1,800.00 per mile.
