

A regular meeting of the board of commissioners of town of Lake Lure met in the town hall, Wed. April 9, 1958 at 7:30 P.M.

Those present:

J. Paul Wilson,.... Mayor

C. Roy Smith .... Comm.

W. E. Franks..... Comm. Absent

In the absence of the clerk, Blanche B. Liles, J. Paul Wilson took the minutes.

The first business for discussion was the motor launch for Gar camp. The board reached a decision to charge a fee of \$12.00 per year for the launch. The decision was made for this fee because of the camp being a church organization, and not according to the size of the boat or the h.p. of the motor.

The board discussed boat and fishing permit fees for the Boys and Girls camps. It was agreed to send the camp owners a statement for 1957 and 1958, the amount to be worked out before the camp season opens.

After due consideration and some discussion the plans for the bath house were adopted, details to be included in the minutes.

The board agreed to begin construction with the \$4000.00, which has been set up as a building fund. In the event the cost of construction exceeds the \$4000.00 the balance of the cost will be taken from the proceeds of the lake and boat permits of the 1958 season.

The rearing pool, for growing fish for restocking Lake Lure has been completed at a cost of \$315.00. This pool is located across highway 74 from Lake Lure School. The pool is built on town property which is designated for parks and recreation. This pool construction was supervised J.R. Washburn, Sr.

Current bills were approved to be paid. The meeting was adjourned.
