SUBJECT: COVERAGE OF NON-PROPRIETARY  
EMPLOYEES  
69-0560142(1)

Dear Mrs. Liles:

Upon receiving your original social security agreement to cover your absolute (non-retirement system) group of employees, this office requested and received Social Security Administration approval of coverage for your NON-PROPRIETARY group of employees.

Political subdivisions are generally said to engage in two types of functions, governmental and proprietary. The governmental or non-proprietary functions are the traditional governmental functions such as legislative, executive, and Judicial, as well as the control and prevention of crime, regulating the conduct of its citizens as it affects the general welfare, and providing for public safety. In general, a political subdivision exercises a proprietary function when it engages in a business.

Few political subdivisions in North Carolina engage in a business activity and we believe that the original resolution by your governing board and the resultant agreement between the Chairman and the State Agency were intended to cover the positions of all eligible employees without regard to the type of function in which your employees were engaged. Furthermore, we believe that you have reported and are presently reporting the wages of all such employees.

The suffix (1) at the end of your employer identification number indicates that governmental or non-proprietary positions only were covered by the agreement. Identical agreements have been executed by all political entities in order to cover eligible employees who do not participate in a retirement system; however, a few of the earlier groups were approved only for non-proprietary positions.

We plan on submitting a request to the Social Security Administration for removal of the exclusion from coverage of proprietary function employees in your agreement. Prior to filing this request, we wish to have concurrence of your governing board. Enclosed is a resolution in duplicate which you are requested to present to your governing board for adoption at its next regular meeting. Upon its adoption, please have the Clerk to the Board complete the certification and forward one copy to this office.

Your early cooperation will be appreciated.

Yours very truly,
