

MINUTES OF THE MEETING OF THE BOARD OF COMMISSIONERS OF THE TOWN OF LAKE LURE  
TUESDAY, MARCH 10, 1970

The regular meeting of the board of commissioners of the Town of Lake Lure was held in the Town Hall at 7:30 o'clock p. m. on March 10, 1970. The following members of the board were present: J. Paul Wilson, Mayor; Robert B. Jones, Commissioner; Woodrow Price, Commissioner; Hollis M. Owens, Jr., Town Attorney, was also present.

Mayor, J. Paul Wilson, called the meeting to order. The Clerk advised that the minutes of the previous meeting were still in the process of preparation by the Town Attorney, and said minutes of said previous meeting were not read.

The Mayor recognized the following citizens of Lake Lure who were present. Mr. & Mrs. W. R. Hackett, Jr.; Cleston Burgess; Leon Burgess; Glenn Burgess and J. V. Bell.

Mrs. Hackett inquired about an Agreement entered into by Whitson Edwards, owner of the Snug Harbor Garage with reference to placing junked cars near the highway, and requested the board of commissioners to call Mr. Edwards attention to this agreement. She was advised by the Mayor that the Lake Lure Civic Association handled the agreement with Mr. Edwards and that it would be appropriate for the said association to take the matter up with him.

Mr. & Mrs. Hackett and Mr. Bell stated that the boat dock being built by Albert Ledbetter on the north side of Lake Lure near the fish camp restaurant was unsightly and unattractive in appearance. They were advised by the Mayor that anything constructed by Mr. Ledbetter on said location had to be approved by the board of commissioners, and if said construction did not meet the approval of the board of commissioners, Mr. Ledbetter would be given a 90 day notice to remove the said boat dock.

Cleston Burgess, who hauls garbage for the Town of Lake Lure under a lease arrangement stated that a fence was needed around the Lake Lure garbage dump to keep outsiders from dumping garbage and to keep the maintenance of the dump to a minimum. Upon motion of Commissioner Jones, seconded by Commissioner Price and unanimously adopted, the board voted to construct a fence around said garbage dump. Mr. Cleston Burgess also requested the board to write a letter to all resident of the Town of Lake Lure and the operators of summer camps asking them to put their garbage in plastic bags, to use 30 gallon garbage cans and to put all garbage on the sides of roads or streets; and to advise those residents having steep drives that they must put their garbage at the top of said drives because of the fact that it is dangerous for garbage trucks to go down steep drives. Upon motion of Commissioner Price, seconded by Commissioner Jones, and unanimously adopted, the board agreed to write such a letter.

Mr. Cleston Burgess requested the board to extend the time for two garbage pick ups per week for residents to June 1 of each year. Upon motion of Commissioner Jones, seconded by Commissioner Price, and unanimously adopted, the board voted to make such extension on a trial basis. No change was made in the policy of picking up garbage of businesses twice per week from May 15 to September 15 of each year, and of picking up garbage of both residents and businesses once per week during the winter months.

Upon motion of Commissioner Price, seconded by Commissioner Jones, and unanimously adopted, the board instructed the clerk to place an order with

Associated Services, Inc. of Rutherfordton, N. C. for 3,000 Lake Lure Brochures.

There being no further business, the meeting adjourned at 10:00 o'clock p. m.
