Sam Karr, Finance Director, presented draft copies of the 1993/94 budget to Council for review and discussion.

Creek Volunteer Fire Department has not submitted a budget proposal for Council's review. Council requested that the Finance Director contact Bill's Creek Fire Department once again and request that they submit a budget proposal for the 1993-94 contract.

Council requested that Lake Lure Volunteer Fire Department submit an annual budget estimate, including the number of fires they attend, how much equipment is being used, etc.

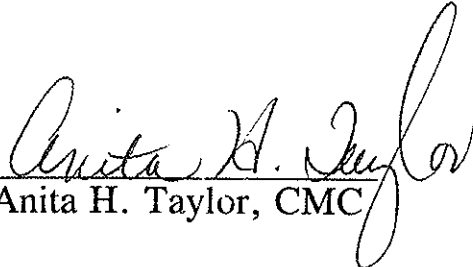

After considerable discussion, it was the consensus of Council to arrange a budget workshop inviting representatives from Lake Lure Volunteer Fire Department to attend in order to inform them of the budget statement format to which Council wishes them to adhere.

Council also requested that Hickory Nut Gorge EMS submit additional information for review.

Council discussed privilege license for businesses. At the present, Lake Lure has a privilege license ordinance, which has not been enforced. Council requested that the Town Manager investigate what other municipalities are charging for privilege licenses in order to set a schedule of fees. It was the consensus of Council that this discussion be an item included on the agenda for the next regular Town Meeting to be held Tuesday, May 25, 1993 at the Community Center.

At approximately 12:20 p.m. Commissioner Donovan moved, seconded by Commissioner Lehner, to recess the meeting to Friday, May 21, 1993 at 9:00 a.m. at the Town Hall. The vote of approval was unanimous.
