Mr. Hord informed Council that the two new paddleboats which were ordered for the Lake Lure Marina have been generating excellent revenue. The paddleboats are virtually maintenance free.

Council discussed the beach fees and slip rental fees for fiscal year 1993-94. Council requested that the Town Manager investigate the fees to consider possible raising the rates in the budget for 1993-94.

It was the consensus of Council that the public telephone at the Community Center be removed.

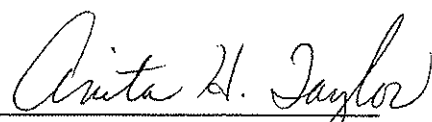

Council requested that a new lake use contract be presented to Colony Resort for endorsement since they are in charge of the showboat which used to be run by Fairfield Mountain's Inc.

Council discussed the Marina parking area and requested that Luther Smith be contacted letting him know their plans for boat trailer parking. Council also discussed the possibility of posting a sign at the Marina explaining the boating and parking procedures.

With no further items of discussion, Commissioner Donovan moved, seconded by Commissioner Lehner, to adjourn. The vote of approval was unanimous.
