Finance Director Sam Karr prepared handouts of the 1998-99 summary of the revenues and expenditures for the current budget (1997-98), and the proposed budget (1998-99). These handouts were made available to the public for review.

Mayor Powell made the following statement regarding the Lake Lure Medical Plan. The Town of Lake Lure provides medical insurance for its employees under a plan with the Municipal Insurance Trust (MIT) of North Carolina that is sponsored by the North Carolina League of Municipalities for its members.

Full-time employees and their dependents are eligible to participate in this plan. Prior to 1994, the League Board of Trustees extended coverage to elected officials and their dependents by qualifying them as full-time employees.

The Town of Lake Lure provides coverage for its full-time employees and the employee can elect dependent coverage at his/her expense. The Mayor and Council are automatically included in this plan under the same terms as for other employees unless they decline coverage.

PUBLIC HEARING -- TOWN BUDGET FISCAL YEAR 1998-1999
--

Notice of the Public Hearing was duly given within the legal classified section of the Monday, June 1, 1998 issue of the Forest City Daily Courier newspaper.

Commissioner Cobb moved, seconded by Commissioner Stanier, to enter into the public hearing for the purpose of discussing the proposed 1998-99 Town budget. The vote of approval was unanimous.

Mayor Powell invited citizens who wanted to speak during the public hearing. Powell requested that comments be limited to five minutes and avoid repetition. The following requested to speak:

1. Bill Bush, a Lake Lure resident, asked Town Council to identify the positions being eliminated due to personnel reduction?

Mayor Powell explained that the positions being eliminated included one in Administration (Administrative Assistant), two in the Police Department (vacant positions), and 1.25 in the Public Works Department (eliminated Dredge Operator and reduced the hours of a part-time Public Works employee). Powell said that the Town is in the process of hiring a new Police Chief and money has been budgeted for a seventh Police Officer (pending an evaluation to determine if this position is needed).

Page 3 - Minutes of the June 16, 1998 Regular Council Meeting

2. Jack Donovan, a Lake Lure resident, asked if there was going to be enough police patrol coverage on the lake?

Mayor Powell responded by saying that the lake probably won't be policed this summer as much as in previous years.

With no further items of discussion, Commissioner Rose moved, seconded by Commissioner Sheffield, to come out of the public hearing and re-enter the regular session of the meeting. The vote of approval was unanimous.

The name of the group is "*Chad Randal Crow and the Section*". The type of music is "*Christian country-pop folk*". - c. Approved the request from the Hickory Nut Gorge Chamber of Commerce to hold a fireworks display on Saturday evening, July 4, 1998 on Town owned property known as the "Point" area. The fireworks show will start shortly after dark. A site inspection was performed by Melrose Pyrotechnics, a professional fireworks company who will also be conducting the display. Enclosures have been provided including a proposal, drawings (details the location in which the fireworks will be launched), and information regarding insurance. The primary viewing areas would be the parking area along the beach, the athletic field adjoining the basketball court and the water. Due to safety requirements, the "Point" area would need to be closed off before the fireworks began so that people walking in that area would have time to exit. The gate at the end of the paved parking area would be the recommended location to cut-off foot traffic. Boat traffic would also need to be kept away from coming too near the "Point" area where the launching will take place. The Lake Lure Fire Coordinator (Fire Inspector) has reviewed the required application and has approved a permit for this display, contingent upon Town Council authorizing this use of Town property. The Lake Lure Police Department is aware; and both Chamber volunteers and Fire Department personnel will be on-hand to assist with crowd control as was done last year.
- d. Approved the request from Riannon McNeil to use the Town's Gazebo and Community Center for a wedding on July 25, 1998 before 5:00 p.m. A reception will follow beginning at 1:00 p.m. until 5:00 p.m. Authorized Ms. McNeil to use the Gazebo and Community Center for the purposes requested in her letter and suspended Section 63.01 of the Town Code of Ordinances (Consumption of Malt Beverages and Unfortified Wine, Spirituous Liquors, or Mixed Beverages) as it would apply to the interior of the Community Center only, i.e. not the surrounding grounds, during the reception. OLD BUSINESS

b. Other Old Business

There was no other old business for discussion.

NEW BUSINESS

a. Funding of Street Signs

Mayor Powell asked Town Manager Strutner to give an update on the status of the street signs. Mr. Strutner reported that subsequent to the last Town Council meeting per Council's direction, he had contacted the appropriate County Public Officials who, in turn, referred him

Page 12 - Minutes of the June 16, 1998 Regular Council Meeting

to other County Officials handling the map project. Strutner explained that he was advised the contracted vendor still had the maps (including Chimney Rock Township) and they are not expected back before the end of this month. Also, if the maps are accurate/complete, then the Town will be able to begin using them sometime during the middle of next month. If not, they will be returned to the vendor again. The vendor anticipates that they will be at least 99% accurate so that the Town can start moving ahead with the street sign installation process as soon as possible. Strutner said the hold up of the maps are not anything the Town can control. He expressed his frustration along with other Town staff members after trying to get a hold of the person in charge about the status of the maps. Strutner said that Rutherford County had experienced the same frustration and was not happy with this vendor either. He stated that until the Town receives the maps nothing can be done at this point. The delay of the maps also holds up the inspection by ISO for fire insurance.

Mayor Powell said that this item for discussion deals with the funding of street signs to be paid out of the contingency line item for the current fiscal year 1997-98 budget (which has been approved by the prior Town Council). Powell said that the Town would like to be able to encumber the money for street signs against the current year budget. He explained that in order to encumber money, the Town must enter into a contractual agreement in order to create a potential liability. Powell said that the Town will need to amend the following year's budget (pay for street signs out of the general fund balance) if the signs cannot be ordered before June 30th.

NEW BUSINESS

b. Budget Adjustments -- Fiscal Year 1997-1998

Finance Director Karr presented a memorandum of June 8, 1998, addressed to Town Council requesting budget adjustments including FEMA reimbursement, Mayor's Insurance, and State Park Grant. (Copy of memorandum attached).

After discussion, Commissioner Stanier moved, seconded by Commissioner Cobb, to approve the following budget adjustments as recommended by Finance Director Karr. The vote of approval was unanimous.

- * Increase expenditures in the Lake Department by \$36,644.27 (engineering and river clean-up).**
- * Increase expenditures in the Administrative Department by \$10,000.00 (Park Grant Project).**
- * Increase revenues in the amount of \$46,644.27.**

* Transfer \$1,068.00 from contingency (109100.1000) to Commission Dept-supplies (104200.3300)- i.e. Mayor's Insurance.

* Adjust the General Fund's budget in the amount of \$1,997,427 to \$2,044,071.27.

STAFF REPORTS

Town Manager Strutner gave an update report regarding the Police Chief selection process. He said that the candidate which he has selected is currently undergoing a background

Page 15 - Minutes of the June 16, 1998 Regular Council Meeting

investigation and anticipates having the results within the next week. Strutner said then the person selected will undergo the standard screenings including psychological, physical, and drug testing by the end of the month. He anticipates hiring a new Police Chief sometime next month.

Mr. Struter stated that as of July 1, there will be individuals coming from the State to make a final project inspection before the remaining FEMA monies will be released to the Town. He said that the Town had already received a portion of the FEMA money.

In addition, Strutner stated that the fiscal year 1998-1999 budget was very difficult. He said that there will not be another property evaluation in Rutherford County again until the year 2001.

COUNCIL COMMENTS

Mayor Powell reported that the financial reports as May 1998 from the Finance Director are encouraging regarding the revenue received from the hydro electric generated and the Town anticipates a surplus. Powell said that Town Council approved at a previous Town Budget Workshop meeting the funding of a transfer in the amount of \$100,000 (set a side in a Capital Reserve Fund) designated for silt removal.

Powell mentioned that Town Council recently adopted a work program (consisting of about 26 items) for fiscal year 1998-99.

An announcement was made regarding two vacancies to serve on the Lake Lure Golf Course Committee. Powell said that John Thompson had recently resigned and Harry Fritchman had submitted his resignation effective June 30, 1998. Powell requested that an article be placed in the Lake Lure newsletter about these two vacancies.

Mayor Powell received a report from citizens about the Sheriff's Department helicopter flying at low altitudes on a training session around Lake Lure. Powell said that he plans to contact the Sheriff's Department asking them to not fly at low altitudes around Lake Lure.

Powell called for a special Town Council workshop meeting on Tuesday, July 14, 9:30 a.m., at the Lake Lure Municipal Center for the purpose of previewing agenda items of the upcoming July 21, 1998 regular Town Council meeting and discussing items on the adopted work program for Town Council (fiscal year 1998-99).

Commissioner Cobb stated that she had received telephone calls regarding the road called "Mistletoe" located off of Washburn road. Cobb said that she had told Town Manager Strutner about the misunderstanding as to whether this road is designated as a Town maintained road. Cobb also stated that she had been to see this graveled road near the home of Robert Wilson.

Page 16 - Minutes of the June 16, 1998 Regular Council Meeting

In addition, she had obtained a copy of a letter of 1995 received from Town Attorney Chris Callahan informing the Town that this is not a town maintained road. (copy letter attached).

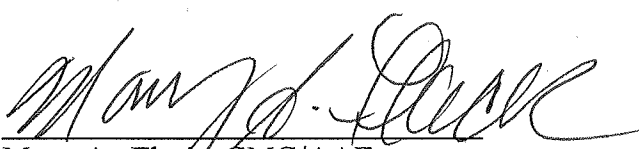

TOWN MEETING FORUM (AT THE PLEASURE OF THE MAYOR)

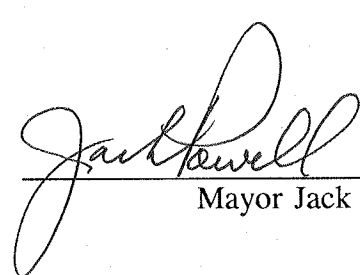

There was no discussion under the Town Meeting Forum.

ADJOURNMENT
