Colors & Science

Hello and welcome to the 2014 Summer of Munchkin Madness Summer Camp! We are delighted to meet your child and to have him/her as a camper this summer! This newsletter will serve to inform you and your child about the upcoming events for the week. Please be sure to send your child to camp with a lunch, drink, and the suggested items for that day. We are looking forward to five full days packed with the best summertime activities!

MONDAY

Welcome to camp! Today we'll do some ice breakers, review camp rules, and make colorful paper plate rainbows! **BRING:** Lunch and a drink.

TUESDAY

Do you know what happens when you mix blue and yellow? Today we'll experiment with mixing colors and try out a game of color hokey pokey. **BRING:** Lunch and a drink.

WEDNESDAY

Time for a trip down to the Burgess Playground! After that we'll learn a little bit about temperature by making our own thermometer flowers! **BRING:** Lunch, drink and your camp t-shirt.

THURSDAY

Today we'll get colorful in the kitchen when we make our own rainbow fruit kabobs. Then get ready to get scientific as we explore shadow tracing! **BRING:** Lunch and a drink.

FRIDAY

Tweet, tweet! Today we'll celebrate the birds by painting our own bird houses! Then get ready for a quick trip to the gymnastics studio! Camper certificates will be distributed so parents are welcome to join us at the end of the day! **BRING:** Wear comfortable clothes, bring lunch and a drink and don't forget your sunscreen!
