**FOR IMMEDIATE RELEASE**

### **City of Montgomery Adds Features to Enhance Community Pool**

(*MONTGOMERY, Ohio*) – As the nation pinches pennies and rethinks the more traditional vacation, the City of Montgomery saw an opportunity to enhance their community pool and provide an alternative to the more expensive road trip.

Visitors who want to mix business with pleasure will appreciate the wireless internet access that is now available. Both kids and parents will enjoy the new, softer rubber surface at the playground, and everyone will benefit from the extra seating and lounging that has been provided. Even the concession stand has a tasty new addition. The Montgomery Subway will be supplying select 6” subs for sale.

With a pool membership, the family can watch free “Dive-in” movies and enjoy Luau parties and weekly kid’s activities all summer long. June 12 is the date of the first dive-in movie and Luau. Bring the family together to watch the film version of the classic E.B. White story, *Stuart Little*.

The pool offers a fun alternative to the traditional birthday party, too. A large gazebo right on pool grounds is available to rent and provides a shady spot to blow out candles and share a picnic lunch or dinner before making a splash.

Swimming and water safety lessons are also available and can provide your child with skills she will enjoy for a lifetime.
