**FOR IMMEDIATE RELEASE**

*(MONTGOMERY, Ohio)* – **Montgomery’s Popular *Live at the Uni* Returns This Fall  
Free Series Showcases Montgomery Musicians**

The *Live at the Uni* music series, new in 2010, was so popular that the Montgomery Arts Commission sponsored series will repeat this fall, and will feature well-known area musicians and residents of Montgomery, plus post-concert receptions courtesy of Stone Creek Dining Company.

All concerts begin at 7:00 p.m. and are held in the historic Universalist Church in the heart of Downtown Historic Montgomery. Following each concert, a reception with complimentary hors d’oeuvres and drink specials will be held at Stone Creek Dining Company, just a short walk from the church.

The concert series begins Tuesday, September 20, with a performance by Les Deux, a piano-vocal duo featuring songstress and Montgomery resident Jane French and pianist Karla Mitchell. Jane French is an Emmy-nominated composer and singer, best known for her theme song to NBC’s show, *Passions*. Karla Mitchell has performed for audiences across the country for more than 25 years. They will perform classic jazz standards.

On Tuesday, October 4, the duo of violist Steve Rosen and guitarist Richard Goering will perform a high-energy concert of Klezmer music and other classics. Rosen, a resident of Montgomery, is a long-time member of the Cincinnati Symphony Orchestra. Goering has performed as a guitarist professionally throughout the country, and is well-known around Cincinnati.

On Tuesday, October 18, the series will bring back jazz pianist Kim Pensyl, teaming up with vibraphonist Rusty Burge. Both men are members of the Jazz Studies Department at the University of Cincinnati-College Conservatory of Music, and both are residents of Montgomery.

The concerts are free and open to the public; however, reservations are required, as seating in the church is limited. Call Montgomery City Hall at 891-2424, or go online at [www.montgomeryohio.org](http://www.montgomeryohio.org).

The Universalist Church was the first National Register Building in Hamilton County. It houses many of its original furnishings, including the pulpit, benches, organ, and lighting fixtures.
