Fun with Me Swim Class: get wet and wiggle introductory swim lessons for an interactive parent-child setting in the water for ages 6-18 months (level 6) or ages 18 to 36 months (level 7).

Splash and Play: (level 8): class is an early-age water play environment designed to help little ones get more comfortable with being in the water, splashing and playing safely in the baby pool. Children, ages 1-4, must be supervised by a parent for this explorative class.

*Note that the registration dates end the day before the session starts at noon and we need a minimum of 4 swimmers to run the session. As you can see, we schedule these sessions closely, back to back so we can run 5 sessions this summer. If we do not meet the minimum of 4 swimmers, we will unfortunately have to cancel the session and the pool managers will call you after noon the day before the session.

Other group swim lesson information:

- Parents and siblings are NOT permitted on the pool deck during lessons, so please be sure your child is willing to go with the instructor and classmates.
- No refunds will be given once the first class begins and there is a \$25 cancellation fee at all times.
- There is no advanced registration permitted for later levels in order to be sure the child first masters the skills in the current class in which enrolled.
