

# POOL PRESS

August 2008

## Project Updates

Here are a few things we've been working on:

- Pool Shower areas have been painted with a marine quality paint to keep the facility attractive.
- Toilet paper dispensers were replaced for better ease of use.
- Internet and phones were repaired after one of the July storms (We use a manual sign in sheet when our computer system is unavailable so that we can continue to monitor attendance).
- We are continuing to monitor shower temperature. If you experience a colder temperature, please let our managers know and we can try to adjust the temperature for you.
- A new pump to the baby pool has been installed after being destroyed by the lightning strike in July.
- An extra freezer has been added for additional storage in the concession area to keep additional frozen items available.

## Pool Hours

Just a reminder that pool hours are 11 to 8:30 p.m. except for:

**August 21, 22, 25-29 hours are 3 to 8 p.m.**  
(following Sycamore School schedule)

Pool closes on Labor Day, Monday, Sept. 1.

## Splash-tacular

On Friday, July 18, kids had a blast with 2 hours of games that included a water balloon toss, pop in the pool dive, biggest splash contest for kids *and* adults, timed slide relays and dress up relays. There were lots of prizes, smiles, fun and the weather was perfect!

## Makos Swim Team

The Makos swim team participated in championships that occurred at Miami University July 25 & 26. The team placed 3rd in their division and received the high point award for their division for boys ages 11-12. Swim team coach, Christy said they have had an awesome season. Congratulations Makos!

## Training

Lifeguards and pool managers meet twice each month and during each meeting they practice a lifesaving skill to keep guards "fresh" and "on their toes."

## Terrific Tuesday!

**Every Tuesday at 3 p.m. through August 19**, the City Recreation Department will be coordinating games for kids for a little extra fun for your family this summer.

# Survey

We invite you to complete the 2008 pool survey.

This year's survey results will determine the level of support for heating the pool as well as gauge your satisfaction with the variety of services offered at the pool. Your suggestions are valuable to us because based on your feedback from past surveys the following things have been implemented: healthier options have been made available at the concessions, a lane has been kept open for lap swimming, the playground was added, lockers were removed and the check-process made more official with requiring ID's to be shown. The survey will be available at the pool front desk, online and a copy will be mailed to you. Survey responses are due August 22. Please take 5 minutes to let us know your thoughts and suggestions! Thanks!

# Special Events

Join us for the fun!

## Beach Party and Dive-in Movie (Bee Movie) on Friday, Aug 15. Don't miss the party!

A DJ and free sno-cones start at 5:30 p.m., meet beekeepers and meet their bees (observational hive) at 6:30 p.m., games start at 7:30 p.m. and the Bee Movie will begin at dusk. The concession area will be open and look for a movie night special to keep the munchies at bay.

## Doggie Swim, Monday, Sept 1, 5-8 p.m.

Join us for a 'K-9 Kerplunk' at the pool! Dogs of all breeds and sizes are invited to go for an end of the summer dip at the Pool before the pool is closed for the summer. Dogs must be people friendly and non-aggressive towards other dogs and—of course—a swimmer of some sort. Pets of members swim for free (\$3 for non-members). Remember to always be courteous of others and clean up after your pets. So, bring your pooch to cool off, have fun and let's get those paws wet.

# Rentals

## After Hour Pool Rental

Private use of the whole facility!

Available 9-11 p.m. Friday and Saturday  
9-11 a.m. on Sunday

Rental information & rates on website at [www.montgomeryohio.org](http://www.montgomeryohio.org)
