David Steen
Mitch Abraham
Brad Chappell

Guest Present

Steve Mauney

Ex-officio

Wanda McKenzie

Staff Present

Steve Husemann
Vic Garrett

1. Minutes of meeting of July 27, 2010 were discussed.

Action: A motion was made by Chris Carney and seconded by Jeff Brotherton to approve the minutes. The motion passed unanimously.

2. Discussion concerning the new field reservation policy and fee schedule. The board suggested changing the wordage of the "Field Reservation Policy" Section 3-a- to make it clearer to customers. They also want to add that no tobacco products of any type are allowed on fields.

Action: A motion was made by Miles Atkins and seconded by Chris Carney to allow field reservations before 1:00 pm on Sundays. The motion passed unanimously.

3. Mr. Husemann gave the board an update on the remaining park bond money. Some examples of where the money could be spent were: improvements to parks in town including Willow Valley-sidewalks, basketball court, fencing, etc., improvements to current town centers- Mack, War Memorial and Winnie Hooper,

play equipment at Mazeppa and Cornelius Rd, dog park, purchase of building for sportsplex.

He stated that he would have a more accurate idea of the amount of money available after the board discussion Monday night. At that time a decision will be made as to how the money will be allotted. They could vote to use some of the money to pay back the general fund for some of the land and other items that were taken out of the general fund, or they could vote to use it all for items now.

4. With no further business a motion to adjourn was made at 7:25 p.m. by Miles Atkins and seconded by Chris Carney. Motion passed unanimously.
