CATERING

When discussing details with your caterer, please make sure that they are aware that they may NOT gain access to the rented space until your reserved time begins. For example, if your reservation starts at 2:00pm, no one may gain access to the space until 2:00pm. Vendors who demand entry into the space must sign in as the responsible party and your security deposit may be withheld as a result of their early entry. For access to the kitchen, you must rent the kitchen.

DJ'S AND OTHER ENTERTAINMENT

When discussing details with your DJ or band, please make sure that they are aware that they may NOT gain access to the rented space until your reserved time begins. For example, if your reservation starts at 2:00pm, no one may gain access to the space until 2:00pm. Vendors who demand entry into the space must sign in as the responsible party and your security deposit may be withheld as a result of their early entry. Everyone MUST be able to operate their equipment on a standard 110v outlet and if the music exceeds a level of over 100 decibels, your group may be asked to lower the music.
