■ **AGREEMENT**

I, the undersigned property owner, request access and permission to construct a driveway(s) or street(s) on public right-of-way at the location described in this application. I am in agreement with the following.

1. No signs will be placed on or over the public right-of-way and no bushes, trees or other vegetation will be placed so as to impair traffic or driver visibility. Driveway(s) or street(s) as described in this agreement include approach tapers, storage lanes and speed change lanes that are deemed necessary.
2. If improvements to the roadway become necessary, the portion of the driveway(s) or street(s) located on the public right-of-way will be considered the property of the Town of Mooresville and I will not be entitled to reimbursement or have any claim for present expenditures for driveway or street construction.
3. A fee for installation of pipe by the Town of Mooresville or inspection for pipe installed by others will be paid by the property owner.

4. Construction and maintenance of the driveway(s) or street(s) will be safe and will not interfere with or endanger public travel.
5. Appropriate warning signs, signal lights and other devices will be provided during construction to insure the protection of traffic within the guidelines of the Manual on Uniform Traffic Control Devices for Streets and Highways.
6. The Town of Mooresville will be indemnified and saved harmless from all damages and claims for damage that may result from this construction.
7. The Town of Mooresville will assume no responsibility for damages that may be caused to facilities within public right-of-way during the construction.
8. The property owner will provide a performance bond in an amount specified by the Town of Mooresville for construction on the Town's street system.
9. The property owner will notify the Town's Public Works Director or Engineer the dates on which the construction is begin and completed.
