

FIRE MARSHAL

Position Code: 2600

WC Code: 7705

FLSA Status: Exempt

Pay Grade: 774 (\$46,468 - \$72,674)

Location: Fire

Approval Date: 2010

General Statement of Duties

Performs technical and supervisory work enforcing fire codes and performing fire inspections; conducts fire education programs and promotes overall fire prevention efforts within the Town.

Distinguishing Features of the Class

An employee in this class performs varied tasks to include fire code enforcement and inspections, investigations, fire education, and plans review. Employee is responsible for the fire prevention programs to ensure compliance with State and local fire laws, codes, rules, and regulations. Work includes supervising and participating in inspections of commercial and retail establishments, schools, and health care facilities, new construction, and if requested, residences. The employee plans and implements a program of fire prevention and safety education with all ages of the community. Work may also include participating in conducting investigations of fires to determine if criminal actions may have contributed to fires. Considerable independence and judgment are required in all aspects of the work, particularly in fire inspections and investigations. Considerable public contact requires that the employee exhibit tact and diplomacy in seeking compliance with fire laws, inspections, and investigation work including working in both inside and outside heat, chemicals, and in the proximity to moving mechanical parts, electrical current, and working in high places. Employee is also exposed to atmospheric conditions and blood borne pathogens, and may be required to work in close quarters. Work is performed under the general supervision of the Fire Chief and is evaluated through observation, conferences, and written reports concerning the quality and effectiveness of work performed.
