### **MOORESVILLE PUBLIC LIBRARY ANNOUNCES THE ADDITION OF AN ONLINE LANGUAGE LEARNING SYSTEM**

The Mooresville Public Library is pleased to announce it now offers the Mango Languages online language learning system free to all library patrons. Founded in 2007, Mango Languages is recognized as a leading provider of online language learning services to libraries, government agencies, corporations and the general public.

"We are thrilled to add Mango Languages to the growing list of online resources that the Mooresville Public Library offers to the community," said Michael Hawkins, Head of Adult Services. "Many people need to learn a second language for business. Others want to learn a language for a trip that they are planning or as a hobby. No matter the reason, learning a foreign language should never be boring. Using Mango Languages ensures that the process is kept fun and interesting."

Mango Languages offers a fast and convenient solution for language-learning needs. Each lesson combines real-life situations and audio from native speakers with simple, clear instructions. Courses are presented with an appreciation for cultural nuance and real-world application that integrates components of vocabulary, pronunciation, grammar and culture. Mango Languages is available in two versions: Mango Complete, a 100-lesson course designed to provide a deep understanding of a language and its culture; and Mango Basic, a beginner course which teaches greetings, gratitudes and helpful phrases in a short period of time. Courses require two to five hours to complete and are available in 22 foreign languages and 15 English as a Second Language (ESL) courses.

Stop by the Mooresville Public Library for an introduction to Mango or access the program via the library website at [www.ci.mooresville.nc.us/portal/librarylanguages](http://www.ci.mooresville.nc.us/portal/librarylanguages). For more information, contact the Reference Department of the Mooresville Public Library at 704-663-1062.
