The Grantee shall defend, indemnify, protect, and save harmless the State, its officers, its agents, its servants, and its employees from and against any damage, claim, demand, liability, judgment, loss, expense, or cost including, where the

agreement is funded, in whole or in part, by the Federal government, any actions brought by the Federal government or any of its agencies (collectively, "damage") arising, or claimed to arise, from, in connection with, or as a result of, the Grantee's performance, attempted performance, or failure to perform in connection with this agreement (collectively, "performance"), regardless of whether such performance was undertaken by the Grantee, its officers, its directors, its agents, its servants, its employees, its subcontractors, or any other person at its request, subject to its direction, or on its behalf. As nonrestrictive examples only, this indemnification shall apply, but shall not be limited, to (a) any settlement by the State of any claim or judgment against the State or its agents, provided the Grantee had the opportunity to participate in the settlement negotiation, and (b) all attorneys' fees, litigation costs, and other expenses of any nature, incurred by the State in connection with any damage. The Grantee (a) shall immediately notify the State of any damage for which it or the State might be liable and (b) shall, at its sole expense, (i) appear, defend, and pay all charges for attorneys, all costs, and all other expenses arising in connection with any damage and (ii) promptly satisfy and discharge any judgment rendered against the State or its agents, or any settlement entered into by the State, for any damage. The Grantee shall not assert any defense which would be available to the State but not to the Grantee, whether arising pursuant to the New Jersey Tort Claims Act or otherwise, without having first obtained the written approval of the New Jersey Division of Law. This agreement to indemnify shall continue in full force and effect after the termination, expiration, or suspension of this agreement. The Grantee does not hereby agree to indemnify the State against damage to the extent it results from the State's tortious action or inaction for which it would be liable under the New Jersey Tort Claims Act. As soon as practicable after it receives a claim for damage made against it, the State shall notify the Grantee in writing and shall have a copy of such claim forwarded to the Grantee.

- B. The Grantee shall be responsible for compliance by any subcontractor with the terms, conditions and requirements of this agreement.
- C. The Grantee shall be responsible for any claims arising out of any subcontract hereunder and, as a condition of any subcontract hereunder, the subcontractor shall hold the State harmless from any claims by the subcontractor or third parties which may arise under or as a result of the subcontract.

**VI. Availability of Funds**

- A. The State of New Jersey appropriates funds on a fiscal year basis, which is a period running from July 1 through June 30. The parties hereto recognize and agree that continuation of funding under this agreement is expressly dependent upon availability to the Department of funds appropriated by the State Legislature from State or federal revenue or such other funding sources as may be available. The Department shall not be liable for any breach of this agreement which results from the State Legislature's failure to appropriate the necessary funds.
- B. The Department may encumber and commit to any agreement only those funds which have been appropriated and are available during the State fiscal year in which the agreement is executed. For any agreement which will be completed during that fiscal year, the State's grant amount will be fully encumbered and committed. However, for any agreement, the performance of which will span more than one State fiscal year, the Department may or may not be able to encumber and commit the full grant amount and the full funding of the agreement may depend upon subsequent fiscal year appropriations by the State Legislature.
- C. The parties understand that this agreement is fully or partly funded as designated in Section II of Attachment A, Additional Provisions and Special Modifications.

**VII. Procurement Standards**

Procurement of supplies, equipment, and other services with funds provided by this agreement shall be accomplished in accord with federal OMB Circulars A-102 or A-110 and the appropriate federal common rule, whichever would be applicable under federal law, which shall be provided to the Grantee, upon request, by the Department. Procurement shall also be consistent with the New Jersey Local Public Contracts Law, N.J.S.A. 40A:11-1 et seq., and other statutory requirements, as applicable. Both the federal and applicable State requirements shall be incorporated into any subcontracts under this agreement.

Adherence to the standards contained in those applicable federal and state laws and regulations does not relieve the Grantee of the contractual responsibilities arising under its procurements. The Grantee is the responsible authority, without recourse to the Department, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in support of this agreement.

**VIII. Property Management Standards**

Property furnished by the Department or acquired in whole or in part with federal or Department funds or whose cost was charged to a project supported by federal or Department funds shall be utilized and disposed of in a manner generally consistent with state and federal requirements (OMB Circulars A-102 or A-110 and the appropriate federal common rule, whichever would be applicable under federal law).

**IX. Method of Payment**

A. Payment under this agreement will be made upon submission by the Grantee of a properly executed State invoice form (available from the Department), and all invoices, bills, and other documents necessary to justify the payment. This form must also be accompanied by a certification from the Grantee that all procurements for which payment is requested have been made in accord with federal OMB Circulars A-102 or A-110 and the appropriate federal common rule, whichever would be applicable under federal law, and in accord with all applicable State laws and have been made during the work period.

1. If Attachment B-2, Approved Advance Payment, provides for a justification of an advance payment and if Section III of Attachment A, Additional Provisions and Special Modifications, so provides, an initial advance payment will be made to the Grantee upon receipt by the Department of a properly executed copy of this agreement, signed by an appropriate officer of the Grantee organization, together with a properly executed invoice form.
2. Progress payments shall be made by the Department on a periodic basis as prescribed in Section III.B of Attachment A, Additional Provisions and Special Modifications. Such payments shall be issued only upon receipt of the required financial and narrative reports described in Section XIII of the General Terms and Conditions of this agreement, Financial and Performance Reporting. Payment shall be made either in fixed amounts as determined by the Department to be reasonable to maintain an appropriate level of services or in the form of reimbursement of actually reported expenditures as indicated in Section III of Attachment A, Additional Provisions and Special Modifications.
3. If Section III of Attachment A, Additional Provisions and Special Modifications, so provides, a portion of the grant will be withheld pending receipt of the required final reports described in Section XVII of the General Terms and Conditions of this agreement, Grant Closeout Procedures.
4. The Department shall withhold payment of any costs disallowed by the Department as improperly incurred under any provision of this agreement.
5. Grantee may not use any grant funds to satisfy any obligation which arose outside the work period.

B. If the grant covered by this agreement includes federal funds, all invoices must be submitted by the Grantee and all payments must be made by the State no later than ninety (90) days after the end of the work period.

**X. Matching and Cost Sharing Requirements**

If there are any matching and/or cost sharing requirements indicated in Section IV of Attachment A, Additional Provisions and Special Modifications, then, regardless of whether federal funds are involved, the Grantee shall account to the satisfaction of the Department for these requirements in accordance with federal OMB Circulars A-102 or A-110 and the appropriate federal common rule, whichever would be applicable under federal law.

**XI. Project Income**

Project income must be accounted for as indicated in Section V of Attachment A, Additional Provisions and Special Modifications. "Project income" means gross income earned by the Grantee from grant-supported activities. Such earnings include, but are not limited to, income from service fees, sale of commodities, usage or rental fees, and royalties on patents and copyrights. In all cases, interest earned on advances of grant funds shall be remitted to the Department, except for interest earned on advances to instrumentalities of a state as provided by the federal Intergovernmental Cooperation Act of 1968, P. L. 90-577.

**XII. Financial Management System**

The County of Union will oversee the financial management (sections XII thru XV) of this grant.

The Grantee's Chief Financial Officer, as designated in Section I of the General Terms and Conditions of this agreement, Grant Award Data and Signatures, shall be responsible for maintaining an adequate financial management system. The Chief Financial Officer shall notify the Department when the Grantee cannot comply with the requirements established in this Section XII, Financial Management System.

A. Grantee financial management system shall provide for:

1. accurate, current, and complete disclosure of the financial results of each project, agreement, or contract,

2. records that adequately identify the source and application of funds for Department-supported activities, and that contain information pertaining to awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays, and income,
  3. effective internal and accounting controls over all funds, property, and other assets, which controls adequately safeguard all such assets and assure that they are used solely for authorized purposes,
  4. comparison of actual outlays with budgeted amounts for all major cost categories on Attachments B, Approved Project Budget; B-1, Itemization and Justification of Budget; D, Scope of Services; and D-2, Grantee's Proposal, and correlation of financial information with performance or productivity data, including the production of unit cost information required by the Department,
  5. accounting records that are supported by source documentation,
  6. procedures to minimize the time elapsing between the advance of funds from the Department and the disbursement by the Grantee, whenever funds are advanced by the Department, and
  7. procedures for determining reasonableness, allowability, and allocability of costs generally consistent with the provisions of federal OMB Circulars A-102 or A-110 and the appropriate federal common rule, whichever would be applicable under federal law.
- B. If required by Section VI of Attachment A, Additional Provisions and Special Modifications, the Department may require the submission of Attachment G, Statement of Adequacy of Accounting System.
- C. The Department may review the adequacy of the financial management system of any applicant for financial assistance as part of a pre-award review or at any time subsequent to the award. If the Department determines that the Grantee's accounting system does not meet the standards described in paragraph B of this Section XII, Financial Management System, additional information to monitor the agreement may be required by the Department upon written notice to the Grantee.

### **XIII. Financial and Performance Reporting**

- A. Attachment B, Approved Project Budget, is the approved financial plan to carry out the purpose of this agreement. The budget shall be itemized to disclose specifically the agreement tasks and project activities to be funded.
- B. The Grantee shall submit interim expenditure reports, including a completed copy of Attachment C, Expenditure Report, comparing actual expenditures with the Approved Project Budget. These reports shall be submitted on a periodic basis as prescribed in Section VII of Attachment A, Additional Provisions and Special Modifications, and must be certified by the Grantee's Chief Financial Officer.
- C. The Grantee shall submit performance reports on an interim basis as prescribed by the Department in Section VII of Attachment A, Additional Provisions and Special Modifications. Performance reports shall present the following information for each agreement task and shall include all available and relevant, quantitative data pertaining to production of project work units, completion of agreement tasks, and actual costs for each unit or task:
1. a comparison of actual accomplishments to the objectives established in Attachments D, Scope of Services; D-1, Project Requirements; and D-2, Grantee's Proposal, for the reporting period,
  2. reasons why established goals were not met or tasks were not completed as scheduled, and
  3. other pertinent information, including a description of work performed during the reporting period, relevant literature citations, raw data generated, any modifications to the planned scope of work, and an anticipated work schedule for the next reporting period.
- D. The Grantee shall submit a final report on its overall performance of this agreement, as prescribed in Section VII of Attachment A, Additional Provisions and Special Modifications, including a completed copy of Attachment C, Expenditure Report, comparing actual expenditures for the entire project with the Approved Project Budget, certified by the Chief Financial Officer, and a final performance report.
- E. Extensions of reporting due dates may be granted upon written request to the Department.
- F. If reports are not submitted as required the Department shall, at its discretion, suspend payments on this agreement or any other agreement entered into between the Department and the Grantee and shall take action to suspend payments to the Grantee by other State agencies.
- G. If the Grantee has a history of unsatisfactory performance or the Grantee does not submit satisfactory reports, the Department may require additional and more detailed reports from the Grantee.

**XIV. Monitoring Performance**

- A. The Grantee shall continually monitor its performance under this agreement to assure that time schedules are being met, projected work units by time periods are being accomplished, and other performance goals are being achieved as applicable and as defined in Attachments D, Scope of Services; D-1, Project Requirements; and D-2, Grantee's Proposal.
- B. The Grantee shall inform the Department as soon as possible if any of the following types of conditions affect project objectives and performance and shall describe the action taken, or contemplated, and the Department assistance needed, if any, to respond to any such condition:
  - 1. problems, delays, or adverse conditions which will materially affect the ability to attain project objectives, prevent the meeting of time schedules and goals, or preclude the completion of project work units or agreement tasks within established time periods, and
  - 2. favorable developments or events which enable meeting time schedules and goals sooner than anticipated or producing more project work units or completing more agreement tasks than originally projected.
- C. The Department may, at its discretion, make site visits to:
  - 1. review project accomplishments and management control systems,
  - 2. audit the financial records pertaining to this agreement, and
  - 3. provide such technical assistance as may be required.
- D. If the Grantee is not performing satisfactorily, the Department may require remedial measures deemed necessary to fulfill the project requirements, including requiring the Grantee to obtain additional Department approvals before proceeding or requiring the Grantee to obtain outside technical or managerial assistance.

**XV. Audit Requirements**

- A. Pursuant to the federal Single Audit Act of 1984, P.L. 98-502 (the "Audit Act"), and the Single Audit Act Amendments of 1996, P.L. 104-156, federal OMB Circulars A-133 Revised, and A-102 or A-110, and the appropriate federal common rule, whichever would be applicable under federal law, any grant to a local government funded by the federal government is subject to the single-audit provisions of the Audit Act. Pursuant to State Circular Letter 04-04-OMB, the State of New Jersey has adopted by reference the standards and provisions of the Audit Act and the federal OMB Circulars. If the Grantee expends a total of \$500,000 or more in federal financial assistance or State financial assistance in the Grantee's fiscal year, the Grantee must have a single audit performed.  
  
Grantees that expend less than \$500,000 in federal or State financial assistance within their fiscal year, but expend \$300,000 or more in State and/or federal financial assistance within their fiscal year, must have either a financial statement audit performed in accordance with Government Auditing Standards (Yellow Book) or a program-specific audit performed in accordance with the Act, Amendments, OMB Circular No. A-133 Revised and State policy.
- B. Where a single audit or other audit conducted hereunder indicates any noncompliance by the Grantee with the material terms and conditions of this agreement, the Grantee shall forthwith take corrective action as permitted or required by Section XVI of the General Terms and Conditions of this agreement, Agreement Amendment; Section XVIII of the General Terms and Conditions of this agreement, Termination, Expiration, and Suspension; or as otherwise required by the Department. As a result of any audit hereunder, recommendations shall be made whether any costs incurred by the Grantee should be disallowed as beyond the scope or the purpose of this agreement, excessive, or otherwise impermissible. The Department retains the right to recover any disallowed expenditures, and the Grantee shall return to the Department any disallowed expenditures no later than thirty (30) days after the request.
- C. In any case, whether or not it is subject to the single-audit requirements, this agreement is, at the discretion of the Department, subject to audits by the Department at any time prior to closeout and subject to a follow-up compliance audit which may build upon the single audit or other audit required in Section VIII of Attachment A, Additional Provisions and Special Modifications.
- D. Copies of all audit reports involving this agreement must be sent to the DEP, Office of Audit and the Granting Agency identified in Section I of the General Terms and Conditions of this agreement, Grant Award Data and Signatures.

**XVI. Agreement Amendment**

If it desires to amend this agreement, the Grantee must submit a written request to the Grant Officer designated in Section IX of Attachment A, Additional Provisions and Special Modifications. Any amendment, whether requested by the Grantee or the Department, must be documented by completion of the Department's amendment form (DEP-076). The completed amendment form must be formally executed by authorized representatives of both parties in the same manner as this agreement, unless the amendment being documented is of the type described in paragraph A, B, or C of this Section XVI,

Agreement Amendment. If the amendment is of the type described in paragraph A, B, or C below, the Grant Officer may execute the amendment form for the State by signing it in the designated place, and no formal execution by authorized representatives of the parties will be required. As a nonrestrictive example only, if the Department requests, and the Grantee consents to, any amendment to the scope of the services to be performed by the Grantee, including any increase in the amount of the approved budget, such amendment must be memorialized by a completed amendment form, formally executed by authorized representatives of both parties.

- A. The Grantee may obtain approval directly from the Grant Officer to transfer amounts of up to \$20,000 or 10% of the total grant amount, whichever is less, from one direct cost category to another or from the indirect cost category to a direct cost category, as long as this transfer does not result in any change in the project's scope, work period, objective, or deliverables. If the total grant amount is less than \$25,000, the Grant Officer may disregard the 10% limitation and approve transfers of up to \$2,500.
  1. "Indirect costs" are those incurred for a common or joint purpose benefiting more than one cost objective and not readily assignable to the cost objectives specifically benefited, without effort disproportionate to the results achieved. "Direct costs" are those which can be identified specifically with a particular cost objective.
  2. The amendment form documenting any budget revision shall clearly show and justify each change in each cost category, either on the form or on an attachment to it.
- B. The Department may reduce the grant budget and the scope of services so that they fairly reflect anticipated project expenditures and progress if:
  1. the Department notifies the Grantee, that the Grantee is making project expenditures or progress at a rate which, in the judgment of the Department, will result in substantial failure to expend the grant or to fulfill the purposes of this agreement,
  2. the Department notifies the Grantee at least thirty (30) days in advance of any reduction,
  3. after consultation, the Grantee is unable to develop to the satisfaction of the Department a plan to rectify its low level of project expenditures or progress, and
  4. the Department considers the Grantee's fixed costs when making any reduction.
- C. The Grant Officer may approve no-cost time extensions to the work period or the due date of the final report in increments of six months or less but not beyond the expiration date as described in Section XVIII.A.2 of the General Terms and Conditions of this agreement, Termination, Expiration, and Suspension. Written justification and documentation evidencing the need to extend the work period or the due date of the final report must be submitted to the Grant Officer at least thirty (30) days in advance of the scheduled end of the work period. The Grant Officer shall decide whether to grant the extension. The amendment form documenting any no-cost time extension shall clearly show and justify the change, either on the form or on an attachment to it.

## **XVII. Closeout Procedures**

The closeout of this agreement shall mean the process by which the Department determines that all applicable administrative actions and all required work have been completed by the Grantee. This process shall include the steps enumerated below.

- A. The Grantee shall submit a final report as provided in Section VII of Attachment A, Additional Provisions and Special Modifications. The Department may permit extensions when requested in writing by the Grantee.
- B. The Grantee shall, together with the submission of the final report, refund to the Department any cash advanced but not committed to payment of eligible project costs in accordance with the Attachment B, Approved Project Budget.
- C. The Grantee shall refund to the Department any funds spent on costs which are disallowed by the Department. Such refund shall be made within thirty (30) days after the request.
- D. In the event a final audit has not been performed prior to the closeout of this agreement, the Department retains the right to recover any appropriate amount after fully considering any recommendation on disallowed costs resulting from the final audit.
- E. The Grantee shall account for any property acquired with grant funds or received from the Department in accordance with Section VIII of the General Terms and Conditions of this agreement, Property Management Standards.
- F. The Department retains the right to request any additional information necessary to close out this agreement and may retain any final grant payment until the closeout procedure is completed.

**XVIII. Termination, Expiration, and Suspension**

- A. The following definitions shall apply for the purposes of this Section XVIII, Termination, Expiration, and Suspension.
1. Termination - The "termination" of this agreement means the cancellation of unsatisfied, contractual obligations prior to the completion of the agreement tasks by the Grantee. Work should stop unless the Grantee wants to continue at its own expense and is not otherwise required for good cause to stop by the Department.
  2. Expiration Date - The "expiration date" of this agreement is the agreed upon date at which time the term of this agreement automatically ends absent a formal written amendment agreement executed by the parties. The expiration date of this agreement shall be the third anniversary of the date the work period would end as initially agreed upon in Section I of the General Terms and Conditions of this agreement, Grant Award Data and Signatures.
  3. Suspension - The "suspension" of this agreement means a temporary cessation of State support or assistance pending corrective action by the Grantee or pending a decision to terminate the agreement by the Department. Work should stop unless the Grantee wants to continue at its own expense and is not otherwise required for good cause to stop by the Department.
- B. If the Grantee fails to comply with any term, condition, requirement, or provision of this agreement or fails to make sufficient progress so as to reasonably ensure completion of performance of this agreement within the time frames set for herein, the Department may upon notice to the Grantee suspend this agreement and withhold further payments, prohibit the Grantee from incurring additional obligations of grant funds pending corrective action by the Grantee, or decide to terminate this agreement in accordance with paragraph C of this Section XVIII, Termination, Expiration, and Suspension. The Department may, at its sole discretion, allow Grantee to incur additional costs that could not be reasonably avoided during the period of suspension provided that said costs they meet the provisions of federal OMB Circulars A-102 or A-110 appropriate federal common rule or any other applicable state or federal requirements.
- C. The Department may terminate this agreement, in whole or in part, upon thirty (30) days notice, whenever it determines that the Grantee has failed to comply with any term, condition, requirement, or provision of this agreement or fails to make sufficient progress so as to reasonably ensure completion of performance of this agreement within the time frames set forth therein. The Department shall promptly notify the Grantee, in writing, of its determination and the reasons for the termination together with the date on which the termination shall take effect. Upon termination, the Department retains the right to recover any improper expenditures from the Grantee and the Grantee shall return to the Department any improper expenditures no later than thirty (30) days after the date of termination. The Department may, at its sole discretion, allow Grantee to retain or be reimbursed for costs reasonably incurred prior to termination, that were not made in anticipation of termination and cannot be canceled provided that said costs meet the provisions of federal OMB Circulars A-102 or A-110, appropriate federal common rule or any other applicable state or federal requirements.
- D. The Department and the Grantee may terminate this agreement in whole, or in part, when both parties agree that the continuation of the project would not produce beneficial results commensurate with the further expenditure of funds. The two parties shall agree upon the termination conditions including the date on which the termination shall take effect, and, in case of partial terminations, the portion to be terminated. The Grantee shall not incur new obligations for the terminated portion after the date on which the termination shall take effect, and shall cancel as many outstanding obligations as possible.
- E. The closeout procedures described in Section XVII of the General Terms and Conditions of this agreement, Closeout Procedures, shall apply in all cases of termination of this agreement.

**XIX. Access to Records**

- A. The Grantee agrees to make available to the Department, any federal agency whose funds are expended in the course of this agreement, and any of their duly authorized representatives such pertinent accounting records, books, documents, and papers as may be necessary to monitor and audit Grantee's operations.
- B. Whenever reasonable and practical, the Department shall give reasonable notice to the Grantee prior to any visitation, inspection, or audit, including any visitation or request for documentation in discharge of the Department's responsibilities. However, the Department retains the right to make unannounced visitations, inspections, and audits as deemed necessary.
- C. The Department reserves the right to have access to records of any subcontractor and requires the Grantee to provide the Department access to such records in any contract with the subcontractor.
- D. The Department reserves the right to have access to all workpapers produced in connection with audits made by the Grantee or by independent certified public accountants or licensed public accountants hired by the Grantee to perform such audits.

**XX. Record Retention**

- A. The Grantee shall retain financial records, supporting documents, statistical records, and all other records in the Grantee's financial management system or otherwise pertinent to this agreement (a) for a period of three (3) years from the date the Grantee submits the final expenditure reports or the final performance reports, whichever is later, or (b) for such longer period as any applicable State or federal statute may require, with the qualifications stated below.
  1. If any litigation, claim, or audit is started before the end of the three-year period, the records shall be retained until all litigations, claims, or audit findings involving the records have been resolved.
  2. Records for nonexpendable property acquired with Department funds shall be retained for three (3) years after its final disposition.
- B. The Department may request transfer of certain records to its custody from the Grantee when it determines that the records possess long term retention value and will make arrangements with the Grantee to retain any records that are continuously needed for joint use.

**XXI. Approvals and Authorizations**

- A. Unless specifically stated otherwise, wherever this agreement requires the approval or authorization of the Department, that approval or authorization must be given in writing by the Commissioner of the Department, by the authorized delegate who signed this agreement, or by said delegate's successor or superior, if any.
- B. If the Grantee is a municipal or county government agency, the Grantee must submit with this agreement a copy of an ordinance or resolution, duly enacted by the governing body of that municipal or county government agency or of the municipality or county and authorizing execution of this agreement. If the Grantee is a corporation, the Grantee must submit with this agreement a corporate resolution, duly adopted by its board of directors, board of trustees, or equivalent governing body, and authorizing execution of this agreement. The Department will not make any payments until such ordinance or resolution is received.
- C. If the Grantee is a corporation or partnership, the Grantee must submit with this agreement a disclosure of the names and addresses of any persons who own 10% or more of the firm's stock or interest, in accordance with N.J.S.A. 52:25-24.
- D. If the Grantee is a corporation incorporated outside of New Jersey, the Grantee must, as a condition of payment hereunder, obtain a certificate of authority to do business in New Jersey from the Department of the Treasury and file a copy of that certificate with the Grant Officer designated in Section IX of Attachment A, Additional Provisions and Special Modifications.
- E. If the Grantee is neither a government agency nor a corporation and if the Grantee has neither a residence nor a place of business in New Jersey, then the Grantee irrevocably appoints the Commissioner of the Department to receive process in any civil action which may arise out of or as a result of this agreement. Within ten (10) days of receipt of any such process, the Commissioner shall transmit it by certified mail to the Grantee at the address shown in Section I of the General Terms and Conditions of this agreement, Grant Award Data and Signatures.

**XXII. Interest on Advance Payments and Disallowed Costs**

- A. Advance Payments: The Grantee is required to deposit any advance payments received hereunder in an interest bearing account. Any interest up to \$100 per year may be retained by the Grantee for documented administrative expenses. If this agreement is federally funded, any interest above \$100 per year must be remitted on a quarterly basis to the Department for return to the federal government. If this agreement is funded by the State, interest above \$100 per year may be retained by the Grantee for purposes of this agreement or shall be remitted to the Department as indicated in Section XI of Attachment A, Additional Provisions and Special Modifications.
- B. Disallowed Costs: Where the Grantee has been reimbursed by the Department for costs which are subsequently disallowed by the Department, the Grantee shall return the funds to the Department no later than thirty (30) days after the request. Where the Grantee fails timely to return the funds or appeals the disallowed costs, an interest charge as indicated in Section XI of Attachment A, Additional Provisions and Special Modifications, shall be charged on the funds beginning thirty (30) days from the date the Grantee was notified of the debt. If the Grantee is successful on appeal, the accrued interest will be canceled.

**XXIII. Miscellaneous Provisions**

- A. Governing Law: It is agreed and understood that this agreement shall be governed and construed, and the rights and obligations of the parties hereto shall be determined, in accordance with the laws of the State of New Jersey including but not limited to the Contractual Liability Act, N.J.S.A 59:13-1 et seq.

- B. Conflict of Terms: In the event of any conflict, the order of precedence shall be (1) the terms and conditions of this agreement; (2) any State Agency application form or specific correspondence describing the Project and/or soliciting a Grantee's proposal; and (3) the Grantee's proposal (d-2).

NOTE: The only exception to the above is that consistency with rules and regulations promulgated pursuant to the State Program's enabling legislation shall always have precedence in any conflict with the terms and conditions of the agreement.

- C. Dispute Resolution: Consistent with the Contractual Liability Act, N.J.S.A 59:13-1 et seq., unless otherwise provided in this agreement, all claims, counterclaims, disputes, and other matters in question between the State and the Grantee arising out of, or relating to, this agreement or the breach of it will proceed as follows:
1. The dispute shall initially be submitted by either party for resolution via administrative proceedings conducted by the Department.
  2. If there is no mutually agreeable resolution after administrative recourse is exhausted, the matter may then proceed to arbitration or litigation. Any litigation must be submitted to, and heard by, a court of competent jurisdiction within the State of New Jersey.
- D. Performance: The Grantee warrants that it is aware of the work required to be performed under this agreement, that it has the capabilities and credentials required by the agreement, and that it will faithfully perform the work and abide by the terms, conditions, and other requirements of this agreement.
- E. Disclaimer of Agency Relationship: The Grantee's status shall be that of an independent principal and not as an agent or employee of the State. Nothing contained in the agreement shall be construed to create, either expressly or by implication, the relationship of agency between the State and the Grantee or its subcontractors.
- F. Computation of Time: When the agreement refers to a period of time in terms of days, the day of the act or event from which the designated period begins to run is not to be included. The last day of the period so computed is to be included, unless it is a Saturday, Sunday, or legal holiday, in which event the period runs until the end of the next day which is neither a Saturday, Sunday, nor legal holiday. In computing a period of time of less than seven days, Saturday, Sunday, and legal holidays shall be excluded.
- G. Intellectual Property Rights: If the Grantee, in the course of its duties under this agreement, develops any invention apparatus, computer program, discovery, or other intellectual property, the State will own the entire right, title and interest throughout the world to each such property right and to patents and copyrights protecting the same. The State's ownership shall be unaffected by any assignment, suspension, termination, or expiration of this agreement.
- H. Captions and Headings: Captions and headings used in this agreement are for convenience of reference only and shall in no way be deemed to define, limit, explain, or amplify any term or provision.
- I. Severability: In case any term or provision of this agreement shall be held invalid, illegal, or unenforceable, in whole or in part, neither the validity of any remaining part nor the validity of any other term or provision shall in any way be affected by such holding.
- J. Entire Agreement: The parties understand and agree that all prior understandings and agreements between them regarding performance of the obligations described herein are merged into this written grant agreement which supersedes all such prior understandings and agreements. Neither party enters into this agreement in reliance on any statement or representation of the other which is not reiterated herein.
- K. Successor and Assigns: This agreement shall be binding upon any successors or assigns of the Grantee. The State may, in its sole discretion, reject any proposed successor or assign of the Grantee.
- L. Counterparts: This agreement may be executed in multiple counterparts, each of which shall constitute an original instrument and all of which taken together shall constitute one and the same instrument.
- M. Notices: All notices, certificates, and other documents (a "notice") to be given by one party to the other shall be in writing and shall be delivered to the other party. Any such notice shall be delivered to the address of the Grantee or the Granting Agency shown in Section I, Grant Award Data and Signatures, by overnight courier service or by regular first class, certified, or registered mail, postage prepaid. If mailed, said notice shall be deemed to have been received five (5) days after its deposit in the United States Mail; and if given otherwise, said notice shall be deemed to have been received when delivered to the party to whom it is addressed.
- N. Waiver of Breach: The waiver by either party of any breach of this agreement shall not be deemed a waiver of any subsequent breach of the same or any other term or provision.
- O. Gender and Number: Use of the singular or plural includes the other and use of any gender includes all genders, as the context requires or permits.

- P. Waiver of Jury Trial: In the event of litigation, Grantee waives any right it may have to a trial by jury.
- Q. Change in Ownership: If, during the term of this agreement, Grantee shall merge with, be acquired by another entity, change or dissolve its business or corporate structure or otherwise change ownership, Grantee shall provide notice to the Department in the manner provided for by this agreement within thirty (30) days of said change and shall provide such documents as may be requested by the Department including, but not limited to, an updated corporate resolution ratifying this agreement or a revised version of any attachment incorporated in this agreement. At the Department's sole discretion, a change in ownership or a failure to comply with the terms of this provision shall constitute cause for termination in accordance with Section XVIII of this agreement.

**PROJECT REQUIREMENTS**

The Grantee shall comply with the requirements set forth below, as well as any rules and regulations promulgated pursuant to the program's enabling legislation, if any, N.J.S.A. \_\_\_\_\_. See N.J.A.C. \_\_\_\_\_. Listed below are specific requirements, including special conditions, of the program and the project covered by this agreement. This Attachment D-1 comprises [ 2 ] pages, including this page.

1. The Grantee shall obtain all permits necessary for the clearing of debris and de-snagging of a 15.63 mile stretch of the Passaic River in the grantee's communities (the "Project") including but not limited to a Freshwater Wetlands Permit (N.J.A.C.7:7A) and a Flood Hazard Area Permit (N.J.A.C. 7:13) prior to commencement of the Project. The Project shall comply with all terms and conditions of the permits and shall be completed in accordance with the plans approved by the Department for the Freshwater Wetlands and/or Flood Hazard Area Permits. Where neither a Freshwater Wetlands or Flood Hazard Permit is needed for the Project, the Grantee shall submit to the Department a written description of the nature and the location of the work to be undertaken ("Project Plan"). The Department reserves the right to require a modification of the plan to assure that the grant funds will be utilized in a manner that provides the most benefit to the reduction of flooding. Grantee shall not commence any work under this agreement without a permit or approved Project Plan. All projects must be completed under the direct supervision of a NJ Licensed Professional Engineer.
2. The Grantee shall employ a Professional Engineer licensed in the State of New Jersey to be responsible for the design of the Project and the preparation of all contract plans and specifications. All such documents shall bear the signature and the seal of said engineer. Further, the Grantee shall employ a Professional Engineer licensed in the State of New Jersey to be responsible for on-site supervision and inspections of the Project. The Engineer shall have the responsibility of ensuring that the completed Project conforms with the permit/Project Plan and shall certify to the Department at the completion of the Project that the project is complete and that all construction is in accordance with the permit/Project Plan and any approved amendments thereto.
3. Upon completion of the Project, a certification must be submitted by the engineer overseeing the construction that the work was completed in accordance with the permit/Project Plan.
4. Payments shall be made to the Grantee for funds expended on the Project as requested. Payment will be made to the Grantee with a 2% retainage pending final approval by the Department. Should the Department require changes to the Project prior to completion, the final payment will be held until corrective measures are taken.
5. The Department's approval of any and all designs, plans, engineering reports, construction plans and specifications, contract documents, and any other documents, material or information of any kind, in connection with the Project, and for reviewing and accepting the completed Project, is limited solely to review for compliance with the terms of this agreement. Without narrowing the foregoing limitation, the Departments review, approval, or acceptance does not constitute a review, approval, or acceptance of the adequacy of the engineering, design, or construction of the Grant Project with respect to safety, efficacy, or any other matter.
6. The Grantee accepts sole responsibility for the safety and adequacy of the design and construction of all facilities included in the Project, both during construction and after completion of construction, and the Grantee also accepts sole responsibility for the proper and adequate maintenance of all said facilities for as long as may be necessary. This provision is not, however, intended to prevent the Grantee from entering into any lawful agreement, consistent with these conditions, with any third party, for the purpose of allocating risk. Further, this provision is not intended to relieve third parties of any liabilities and

responsibilities which said third parties might otherwise have, nor is it intended to remove or waive any immunity which the Grantee may have pursuant to law.

7. In soliciting bids for any work to be done under this grant agreement, the Grantee shall require that project elements which constitute 100% ineligible project costs be bid as separate line items in the total bid specifications from project elements which constitute allowable project costs. Bid specifications shall also require that each general contractor bidding on the Grant Project name all principal subcontractors to the contractor. Principal subcontractors shall be defined for the purpose of this grant agreement as any subcontractor who will perform work whose total value is three percent or more of the total amount bid by the general contractor.
8. The Grantee shall not enter into a contract for work on the Grant Project with any person debarred, suspended or disqualified from State contracting pursuant to N.J.A.C. 7:15-5.1 et seq. The Grantee shall insert in every contract for work on the Grant Project a clause stating that the general contractor may be debarred, suspended or disqualified from contracting with the Department if the contractor commits any of the acts listed in N.J.A.C. 7:1-5.2.
9. The Grantee, its contractors and its subcontractors shall provide Department personnel and any authorized representatives of the State reasonable access to all facilities, premises and records related to the Grant Project. The Grantee shall submit to the Department any documents and information requested by the Department relating to the Grant Project. The Grantee shall promptly submit any certifications, reports or information within the time period requested by the Department.
10. In the event that the Grantee fails to comply with any of the provisions of this agreement, Grantee shall reimburse the Department for any attorney's fees or other expenses incurred in the enforcement or performance or observance of any obligation or agreement.
11. If the Grantee commits a breach or threatens to commit a breach of this grant agreement, the Department shall have the right and remedy, without posting bond or other security, to have the provisions of this grant agreement specifically enforced by any court of competent jurisdiction, it being acknowledged and agreed that any such breach or threatened breach will cause irreparable injury to the State and that money damages will not provide an adequate remedy therefor.
12. The Grantee, if acquiring an interest in real property, shall contact the Office of Green Acres, Department of Environmental Protection and follow the appraisal procedures specified by that office and outlined in N.J.A.C. 7:24-2.16(e).
13. When the GRANTOR determines that the Grantee has failed to comply with any provision, term, condition or requirement of this grant agreement or any other applicable State laws and regulations, it shall notify the Grantee of such failure and may notify the Grantee's engineer or general contractor. The GRANTOR may require the Grantee, to take and complete corrective action. If the Grantee does not take corrective action or if it is not adequate, then the GRANTOR may issue a stop-work order. The Grantee shall comply with, and cause all general contractors and subcontractors to comply with, any such stop-work order. The Grantee further, shall insert in all contracts a provision requiring the general contractor to comply with such stop-work orders and requiring the general contractor to include in all subcontracts provisions requiring subcontractors to comply with such stop-work orders. Further, the GRANTOR may withhold a grant payment or any portion thereof when it determines the Grantee has failed to comply with any provision, term, condition or requirement of this grant agreement or any other applicable State laws and regulations.
14. It is understood that the award of this contract does not commit or obligate the Department to grant any continuation award to cover cost overruns of the Grant Project. Cost overruns for the Grant Project or any portion thereof are solely the responsibility of the Grantee.

With respect to all services and goods the subcontractor provides pursuant to the subcontract or in furtherance of the grant agreement, the subcontractor shall comply with, and shall be bound by, all terms of the grant agreement (excepting only (a) those terms, if any, requiring the provision of goods or services not required by the subcontract, (b) the following Sections of the General Terms and Conditions of the grant agreement: IV, IX, X, XI, XIII, XV, XVI, XVII, and XXII, and (c) Attachments B, B-1, B-2, C, and G) as though it were the Grantee and as though all such terms were explicit terms of the subcontract for the benefit of the State as third party beneficiary. The subcontractor acknowledges that the Grantee has given it a complete copy of the grant agreement and that it is familiar with all of the grant agreement's terms.
2. The subcontractor acknowledges and accepts that it is an independent principal working for the Grantee and has no relationship with the State in connection with the grant agreement as its agent, servant, employee, grantee, contractor, or otherwise.
3. The subcontractor shall make no claim or demand against the State, its officers, its agents, its servants, or its employees (the "State or its agents") (a) which arises out of or in connection with, or which is based on, (i) the subcontract or the grant agreement, (ii) any services or goods the subcontractor provides pursuant to the subcontract or in furtherance of the grant agreement, or (iii) the relationship between the subcontractor and the Grantee in connection with the subcontract or (b) which would not exist if the subcontract did not exist.
4. The subcontractor shall defend, indemnify, protect, and save harmless the State, its officers, its agents, its servants, and its employees from and against any damage, claim, demand, liability, judgment, loss, expense, or cost (collectively, "damage") arising, or claimed to arise, from, in connection with, or as a result of, the subcontractor's performance, attempted performance, or failure to perform in connection with the subcontract (collectively, "performance"), regardless of whether such performance was undertaken by the subcontractor, its officers, its directors, its agents, its servants, its employees, its subcontractors, or any other person at its request, subject to its direction, or on its behalf. As nonrestrictive examples only, this indemnification shall apply, but shall not be limited, to (a) any settlement by the State of any claim or judgment against the State or its agents, provided the subcontractor had the opportunity to participate in the settlement negotiation, and (b) all attorneys' fees, litigation costs, and other expenses of any nature, incurred by the State in connection with any damage. The subcontractor (a) shall immediately notify the State of any damage for which it or the State might be liable and (b) shall, at its sole expense, (i) appear, defend, and pay all charges for attorneys, all costs, and all other expenses incurred in connection with any damage and (ii) promptly satisfy and discharge any judgment rendered against the State or its agents, or any settlement entered into by the State, for any damage. The subcontractor shall not assert any defense which would be available to the State but not to the subcontractor, whether arising pursuant to the New Jersey Tort Claims Act or otherwise, without having first obtained the written approval of the New Jersey Division of Law. This agreement to indemnify shall continue in full force and effect after the termination or expiration of the subcontract and the grant agreement. The subcontractor does not hereby agree to indemnify the State against damage to the extent it results from the State's tortious action or inaction for which it would be liable under the New Jersey Tort Claims Act. As soon as practicable after it receives a claim for damage made against it, the State shall notify the subcontractor in writing and shall have a copy of such claim forwarded to the subcontractor.
