**Message:**

Dear Town Council and Mayor Morgan, I would like to file a complaint concerning garbage pickup. On several occasions The trash collectors have failed to take the trash from both my cans and have failed to pick up bags left next to the cans. This morning May 4 the collectors did not pick up 4 sacks of garbage. Two of the bags were sat next to the can and were contractor type bags. However each bag contained household garbage. I happened to use the contractor bags because I had run out of other bags and was trying to use up some bags I have on hand. Also there were several bags of trash left in my can. These bags were standard Glad tall kitchen garbage bags. I contacted town works and the clerks office to make a complaint. The clerk told me this in a complaint numerous citizens of the town have made. I got the number for the disposal company from the clerk. I called and the truck came back by and picked up the bags they had left. Sincerely, AI
