Mayor and Borough Council
360 Elkwood Avenue
New Providence, NJ 07974

Dear Mayor Morgan and Council:

On behalf of the participating area churches, I am requesting permission to conduct another CROP Walk for World Hunger in New Providence on the afternoon of Sunday, October 21, 2018. The walk is expected to follow the same timing and route as last year, and I will coordinate it with the Police Dept.

As usual, funds raised by the walk will be forwarded to CROP, an arm of Church World Service, for ultimate distribution by CROP and other church-related service organizations. Last year's walk raised about \$7,000, and we hope to do better this year. We hope you will support the CROP Walk and, if your schedule permits, participate in it. Please confirm to me your authorization for the walk, and I will then contact the Police Department for coordination on the route, including traffic control and other safety factors involved.

Yours truly,

Robert W. Hasbrouck, Jr.
