Dear Municipal Clerk:

This letter is to provide you with legal notification that an application for an authorization under Freshwater Wetlands General Permits #1 and #12 has been submitted to the New Jersey Department of Environmental Protection, Division of Land Use Regulation for the development shown on the enclosed plan(s).

These permits are being requested to authorize the maintenance of a stormwater detention basin and collection of soil samples by machine from within a wetland.

Enclosed is a complete permit application package for review by the public. The application can also be reviewed by appointment at the Department's Trenton Office. The Department of Environmental Protection welcomes comments and any information that you may provide concerning the proposed development and site. Please submit your written comments within 15 calendar days of the date of this letter to:
