The Township of Chatham has determined that it will use the following mechanisms to satisfy its affordable housing obligations:

a. *A Rehabilitation Program.*

1. The Township of Chatham's rehabilitation program shall be designed to renovate deficient housing units occupied by low- and moderate-income households such that, after rehabilitation, these units will comply with the New Jersey State Housing Code pursuant to N.J.A.C. 5:28.

3. The Township of Chatham will address its rehabilitation requirement of six (6) units through its participation in the Morris County Homeowner Rehabilitation Program.
4. The program is maintained by the Morris County Division of Community Development. The program is funded through the U.S. Department of Housing and Urban Development (HUD). This program is a cooperative effort of the Federal government through the Morris County Board of Chosen Freeholders and thirty-seven (37) municipalities to meet housing and neighborhood needs throughout the County. Both rehabilitation manuals shall be available for public inspection in the Office of the Municipal Clerk and in the office(s) of the County.
8. Units in a rehabilitation program shall be exempt from N.J.A.C. 5:97-9 and Uniform Housing Affordability Controls (UHAC), but shall be administered in accordance with the following:
 - (a) If a unit is vacant, upon initial rental subsequent to rehabilitation, or if a renter-occupied unit is re-rented prior to the end of controls on affordability, the deed

restriction shall require the unit to be rented to a low- or moderate-income household at an affordable rent and affirmatively marketed pursuant to N.J.A.C. 5:97-9 and UHAC.

- (b) If a unit is renter-occupied, upon completion of the rehabilitation, the maximum rate of rent shall be the lesser of the current rent or the maximum permitted rent pursuant to N.J.A.C. 5:97-9 and UHAC.
- (c) Rents in rehabilitated units may increase annually based on the standards in N.J.A.C. 5:97-9.
- (d) Applicant and/or tenant households shall be certified as income-eligible in accordance with N.J.A.C. 5:97-9 and UHAC, except that households in owner occupied units shall be exempt from the regional asset limit.

Section 29-1.5. Affordable Housing Program - Alternative Living Arrangements

1. The administration of an alternative living arrangement shall be in compliance with N.J.A.C. 5:93-5.8 and UHAC, with the following exceptions:
 - a. Affirmative marketing (N.J.A.C. 5:80-26.15), provided, however, that the units or bedrooms may be affirmatively marketed by the provider in accordance with an alternative plan approved by the Court;
 - b. Affordability average and bedroom distribution (N.J.A.C. 5:80-26.3).
2. With the exception of units established with capital funding through a 20-year operating contract with the Department of Human Services, Division of Developmental Disabilities, alternative living arrangements shall have at least 30-year controls on affordability in accordance with UHAC, unless an alternative commitment is approved by the Court.
3. The service provider for the alternative living arrangement shall act as the Administrative Agent for the purposes of administering the affirmative marketing and affordability requirements for the alternative living arrangement.

Section 29-1.6. Affordable Housing Program - Township-wide Mandatory Set-Aside

- A. Paragraph 8 of the December 13, 2018 Settlement Agreement requires the Township of Chatham to adopt a Township-wide ordinance that requires any new development in the Township to include a set-aside for low- and moderate-income households of not less than 20%. Consistent with those requirements, this section of the ordinance hereby requires that any new multi-family or single-family attached residential development, permitted by zoning or through variance, at a gross density of 6 units or greater per acre shall include a mandatory 20% set-aside of affordable housing units. Such developments include any residential portion of a mixed use development, part of a redevelopment plan, or areas in need of redevelopment or rehabilitation.
- B. This Township-wide mandatory set-aside requirement does not supersede the effects or requirements of any inclusionary overlay zoning districts.
- C. In the event that the inclusionary set-aside of the total number of residential units does not result in a full integer, the developer may choose one of two options of addressing the fractional unit:
 1. The developer shall round the set-aside upward to construct a whole additional affordable unit; or
 2. If the set-aside includes a fractional unit equal to 0.49 or less, the developer may round the set-aside downward and construct the lesser whole number of affordable units, but must also make a payment in-lieu of constructing the fractional additional unit ("fractional payment in-lieu").

- (a) The fractional payment in-lieu dollar amount shall be calculated as the fractional unit multiplied by the estimated payment in-lieu to construct an affordable unit.
- 3. For Example: If seven (7) total units are developed at an inclusionary site, a 20% set-aside would require 1.4 affordable units. Per the requirements above:
 - (a) The developer shall round up the 0.4 unit to one (1) whole affordable unit so as to construct a total of two (2) affordable housing units; or
 - (b) The developer shall round the set aside downward so as to construct only (1) affordable unit and shall pay into the Township's affordable housing trust fund a fractional in-lieu payment equal to the cost to construct an affordable unit multiplied by 0.4 units.

Section 29-1.7. New Construction Requirements

- 1. Low/Moderate Split and Bedroom Distribution of Affordable Housing Units:
 - a. The fair share obligation shall be divided equally between low- and moderate-income units, except that where there is an odd number of affordable housing units, the extra unit shall be a low-income unit. At least 13 percent of all restricted rental units shall be very low-income units (affordable to a household earning 30 percent or less of regional median income by household size). The very low-income units shall be counted as part of the required number of low-income units within the development.
 - b. In each affordable development, at least 50 percent of the restricted units within each bedroom distribution shall be very low or low-income units.
 - c. Affordable developments that are not age-restricted shall be structured in conjunction with realistic market demands such that:
 - 1) The combined number of efficiency and one-bedroom units shall be no greater than 20 percent of the total low- and moderate-income units;
 - 2) At least 30 percent of all low- and moderate-income units shall be two bedroom units;
 - 3) At least 20 percent of all low- and moderate-income units shall be three bedroom units; and
 - 4) The remaining units may be allocated among two and three bedroom units at the discretion of the developer.
 - d. Affordable developments that are age-restricted shall be structured such that the number of bedrooms shall equal the number of age-restricted low- and moderate-income units within the inclusionary development. This standard may be met by having all one-bedroom units or by having a two-bedroom unit for each efficiency unit.
- 2. Accessibility Requirements:
 - a. The first floor of all restricted townhouse dwelling units and all restricted units in all other multistory buildings shall be subject to the technical design standards of the Barrier Free SubCode, N.J.A.C. 5:23-7 and the following:
 - b. All restricted townhouse dwelling units and all restricted units in other multistory buildings in which a restricted dwelling unit is attached to at least one other dwelling unit shall have the following features:
 - 1) An adaptable toilet and bathing facility on the first floor; and

- 2) An adaptable kitchen on the first floor; and
- 3) An interior accessible route of travel on the first floor; and
- 4) An adaptable room that can be used as a bedroom, with a door or the casing for the installation of a door, on the first floor; and
- 5) If not all of the foregoing requirements in b.1) through b.4) can be satisfied, then an interior accessible route of travel must be provided between stories within an individual unit, but if all of the terms of paragraphs b.1) through b.4) above have been satisfied, then an interior accessible route of travel shall not be required between stories within an individual unit; and
- 6) An accessible entranceway as set forth at P.L. 2005, c. 350 (N.J.S.A. 52:27D-311a, et seq.) and the Barrier Free SubCode, N.J.A.C. 5:23-7, or evidence that Chatham has collected funds from the developer sufficient to make 10 percent of the adaptable entrances in the development accessible:
 - a) Where a unit has been constructed with an adaptable entrance, upon the request of a disabled person who is purchasing or will reside in the dwelling unit, an accessible entrance shall be installed.
 - b) To this end, the builder of restricted units shall deposit funds within the Township of Chatham's Affordable Housing Trust Fund sufficient to install accessible entrances in 10 percent of the affordable units that have been constructed with adaptable entrances.
 - c) The funds deposited under paragraph 6)b) above shall be used by the Township of Chatham for the sole purpose of making the adaptable entrance of an affordable unit accessible when requested to do so by a person with a disability who occupies or intends to occupy the unit and requires an accessible entrance.
 - d) The developer of the restricted units shall submit a design plan and cost estimate to the Construction Official of the Township of Chatham for the conversion of adaptable to accessible entrances.
 - e) Once the Construction Official has determined that the design plan to convert the unit entrances from adaptable to accessible meet the requirements of the Barrier Free SubCode, N.J.A.C. 5:23-7, and that the cost estimate of such conversion is reasonable, payment shall be made to the Township's Affordable Housing Trust Fund in care of the Township Treasurer who shall ensure that the funds are deposited into the Affordable Housing Trust Fund and appropriately earmarked.
 - f) Full compliance with the foregoing provisions shall not be required where an entity can demonstrate that it is "site impracticable" to meet the requirements. Determinations of site impracticability shall be in compliance with the Barrier Free SubCode, N.J.A.C. 5:23-7.

3. Design:

- a. In inclusionary developments, to the extent possible, low- and moderate-income units shall be integrated with the market units.

- b. In inclusionary developments, low- and moderate-income units shall have access to all of the same common elements and facilities as the market units.

4. Maximum Rents and Sales Prices:

- a. In establishing rents and sales prices of affordable housing units, the Administrative Agent shall follow the procedures set forth in UHAC, utilizing the most recently published regional weighted average of the uncapped Section 8 income limits published by HUD. To calculate this regional income limit, the HUD determination of median income for a family of four is multiplied by the estimated households within the county according to the most recent decennial Census. The resulting product for each county within the housing region is summed. The sum is divided by the estimated total household from the most recent decennial Census in the Township's housing region. This quotient represents the regional weighted average of median income for a household of four. The income limit for a moderate-income unit for a household of four shall be 80 percent of the regional weighted average median income for a family of four. The income limit for a low-income unit for a household of four shall be 50 percent of the regional weighted average median income for a family of four. The income limit for a very low-income unit for a household of four shall be 30 percent of the regional weighted average median income for a family of four. The income limits shall be adjusted by household size based on multipliers used by HUD to adjust median income by household size. In no event shall the income limits be less than those for the previous year.
- b. The maximum rent for restricted rental units within each affordable development shall be affordable to households earning no more than 60 percent of median income, and the average rent for restricted rental units shall be affordable to households earning no more than 52 percent of median income.
- c. The developers and/or municipal sponsors of restricted rental units shall establish at least one rent for each bedroom type for both low-income and moderate-income units, provided that at least 13 percent of all low- and moderate-income rental units shall be affordable to very low-income households, which very low-income units shall be part of the low-income requirement.
- d. The maximum sales price of restricted ownership units within each affordable development shall be affordable to households earning no more than 70 percent of median income, and each affordable development must achieve an affordability average of 55 percent for restricted ownership units; in achieving this affordability average, moderate-income ownership units must be available for at least three different sales prices for each bedroom type, and low-income ownership units must be available for at least two different sales prices for each bedroom type.
- e. In determining the initial sales prices and rent levels for compliance with the affordability average requirements for restricted units other than assisted living facilities and age-restricted developments, the following standards shall be used:
 - 1) A studio shall be affordable to a one-person household;
 - 2) A one-bedroom unit shall be affordable to a one and one-half person household;
 - 3) A two-bedroom unit shall be affordable to a three-person household;
 - 4) A three-bedroom unit shall be affordable to a four and one-half person household; and
 - 5) A four-bedroom unit shall be affordable to a six-person household.
- f. In determining the initial sales prices and rents for compliance with the affordability average requirements for restricted units in assisted living facilities and age-restricted developments, the following standards shall be used:
 - 1) A studio shall be affordable to a one-person household;
 - 2) A one-bedroom unit shall be affordable to a one and one-half person household; and

- 3) A two-bedroom unit shall be affordable to a two-person household or to two one-person households.
- g. The initial purchase price for all restricted ownership units shall be calculated so that the monthly carrying cost of the unit, including principal and interest (based on a mortgage loan equal to 95 percent of the purchase price and the Federal Reserve H.15 rate of interest), taxes, homeowner and private mortgage insurance and condominium or homeowner association fees do not exceed 28 percent of the eligible monthly income of the appropriate size household as determined under N.J.A.C. 5:80-26.4, as may be amended and supplemented; provided, however, that the price shall be subject to the affordability average requirement of N.J.A.C. 5:80-26.3, as may be amended and supplemented.
 - h. The initial rent for a restricted rental unit shall be calculated so as not to exceed 30 percent of the eligible monthly income of the appropriate size household, including an allowance for tenant paid utilities, as determined under N.J.A.C. 5:80-26.4, as may be amended and supplemented; provided, however, that the rent shall be subject to the affordability average requirement of N.J.A.C. 5:80-26.3, as may be amended and supplemented.
 - i. The price of owner-occupied low- and moderate-income units may increase annually based on the percentage increase in the regional median income limit for each housing region. In no event shall the maximum resale price established by the Administrative Agent be lower than the last recorded purchase price.
 - j. The rents of very low-, low- and moderate-income units may be increased annually based on the permitted percentage increase in the Housing Consumer Price Index for the Northeast Urban Area. This increase shall not exceed nine percent in any one year. Rents for units constructed pursuant to low- income housing tax credit regulations shall be indexed pursuant to the regulations governing low- income housing tax credits.

Section 29-1.8. Phasing Schedule for Inclusionary Zoning

In inclusionary developments the following schedule shall be followed:

Maximum Percentage of Market-Rate Units Completed	Minimum Percentage of Low- and Moderate-Income Units Completed
25	0
25+1	10
50	50
75	75
90	100

Section 29-1.9. Utilities

- Affordable units shall utilize the same type of heating source as market units within an inclusionary development.
- Tenant-paid utilities included in the utility allowance shall be set forth in the lease and shall be consistent with the utility allowance approved by the NJDCA for its Section 8 program.

Section 29-1.10. Occupancy Standards

In referring certified households to specific restricted units, the Administrative Agent shall, to the extent feasible and without causing an undue delay in the occupancy of a unit, strive to:

- Provide for at least one occupant and not more than two occupants per bedroom.

Section 29-1.11. Control Periods for Restricted Ownership Units and Enforcement Mechanisms

1. Control periods for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.5, as may be amended and supplemented, and each restricted ownership unit shall remain subject to the requirements of this Ordinance for a period of at least thirty (30) years, until Chatham takes action to release the unit from such requirements; prior to such action, a restricted ownership unit must remain subject to the requirements of N.J.A.C. 5:80-26.1, as may be amended and supplemented.
2. The affordability control period for a restricted ownership unit shall commence on the date the initial certified household takes title to the unit.
3. Prior to the issuance of the initial certificate of occupancy for a restricted ownership unit and upon each successive sale during the period of restricted ownership, the Administrative Agent shall determine the restricted price for the unit and shall also determine the non-restricted, fair market value of the unit based on either an appraisal or the unit's equalized assessed value without the restrictions in place.
4. At the time of the initial sale of the unit, the initial purchaser shall execute and deliver to the Administrative Agent a recapture note obligating the purchaser (as well as the purchaser's heirs, successors and assigns) to repay, upon the first non-exempt sale after the unit's release from the restrictions set forth in this Ordinance, an amount equal to the difference between the unit's non-restricted fair market value and its restricted price, and the recapture note shall be secured by a recapture lien evidenced by a duly recorded mortgage on the unit.
5. The affordability controls set forth in this Ordinance shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to restricted ownership units.
6. A restricted ownership unit shall be required to obtain a Continuing Certificate of Occupancy or a certified statement from the Construction Official stating that the unit meets all Code standards upon the first transfer of title following the removal of the restrictions provided under N.J.A.C. 5:80-26.5(a), as may be amended and supplemented.

Section 29-1.12. Price Restrictions for Restricted Ownership Units, Homeowner Association Fees and Resale Prices

Price restrictions for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.1, as may be amended and supplemented, including:

1. The initial purchase price for a restricted ownership unit shall be approved by the Administrative Agent.
2. The Administrative Agent shall approve all resale prices, in writing and in advance of the resale, to assure compliance with the foregoing standards.
3. The master deeds of inclusionary developments shall provide no distinction between the condominium or homeowner association fees and special assessments paid by low- and moderate-income purchasers and those paid by market purchasers.
4. The owners of restricted ownership units may apply to the Administrative Agent to increase the maximum sales price for the unit on the basis of anticipated capital improvements. Eligible capital improvements shall be those that render the unit suitable for a larger household or the addition of a bathroom. See Section 13.

Section 29-1.13. Buyer Income Eligibility

1. Buyer income eligibility for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.1, as may be amended and supplemented, such that low-income ownership units shall be reserved for households with a gross household income less than or equal to 50 percent of median income and moderate-income ownership units shall be

reserved for households with a gross household income less than 80 percent of median income.

2. Notwithstanding the foregoing, the Administrative Agent may, upon approval by the Committee of the Township of Chatham, and subject to the Court's approval, permit a moderate-income purchaser to buy a low-income unit if and only if the Administrative Agent can demonstrate that there is an insufficient number of eligible low-income purchasers in the housing region to permit prompt occupancy of the unit and all other reasonable efforts to attract a low-income purchaser, including pricing and financing incentives, have failed. Any such low-income unit that is sold to a moderate-income household shall retain the required pricing and pricing restrictions for a low-income unit.
3. A certified household that purchases a restricted ownership unit must occupy it as the certified household's principal residence and shall not lease the unit; provided, however, that the Administrative Agent may permit the owner of a restricted ownership unit, upon application and a showing of hardship, to lease the restricted unit to another certified household for a period not to exceed one year.
4. The Administrative Agent shall certify a household as eligible for a restricted ownership unit when the household is a low-income household or a moderate-income household, as applicable to the unit, and the estimated monthly housing cost for the particular unit (including principal, interest, taxes, homeowner and private mortgage insurance and condominium or homeowner association fees, as applicable) does not exceed 33 percent of the household's eligible monthly income.

Section 29-1.14. Limitations on Indebtedness Secured by Ownership Unit; Subordination

1. Prior to incurring any indebtedness to be secured by a restricted ownership unit, the owner shall apply to the Administrative Agent for a determination in writing that the proposed indebtedness complies with the provisions of this Section, and the Administrative Agent shall issue such determination prior to the owner incurring such indebtedness.
2. With the exception of First Purchase Money Mortgages, neither an owner nor a lender shall at any time cause or permit the total indebtedness secured by a restricted ownership unit to exceed 95 percent of the maximum allowable resale price of the unit, as such price is determined by the Administrative Agent in accordance with N.J.A.C.5:80-26.6(b).

Section 29-1.15. Capital Improvements To Ownership Units

1. The owners of restricted ownership units may apply to the Administrative Agent to increase the maximum sales price for the unit on the basis of capital improvements made since the purchase of the unit. Eligible capital improvements shall be those that render the unit suitable for a larger household or that add an additional bathroom. In no event shall the maximum sales price of an improved housing unit exceed the limits of affordability for the larger household.
2. Upon the resale of a restricted ownership unit, all items of property that are permanently affixed to the unit or were included when the unit was initially restricted (for example, refrigerator, range, washer, dryer, dishwasher, wall-to-wall carpeting) shall be included in the maximum allowable resale price. Other items may be sold to the purchaser at a reasonable price that has been approved by the Administrative Agent at the time of the signing of the agreement to purchase. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the base price may be made a condition of the unit resale provided the price, which shall be subject to 10-year, straight-line depreciation, has been approved by the Administrative Agent. Unless otherwise approved by the Administrative Agent, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. The owner and the purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at the time of or as a condition of resale.

Section 29-1.16. Control Periods for Restricted Rental Units

1. Control periods for restricted rental units shall be in accordance with N.J.A.C. 5:80-26.11, as may be amended and supplemented, and each restricted rental unit shall remain subject to the requirements of this Ordinance for a period of at least 30 years, until the Township of Chatham takes action to release the unit from such requirements. Prior to such action, a restricted rental unit must remain subject to the requirements of N.J.A.C. 5:80-26.1, as may be amended and supplemented.
2. Deeds of all real property that include restricted rental units shall contain deed restriction language. The deed restriction shall have priority over all mortgages on the property, and the deed restriction shall be filed by the developer or seller with the records office of the County of Morris. A copy of the filed document shall be provided to the Administrative Agent within 30 days of the receipt of a Certificate of Occupancy.
3. A restricted rental unit shall remain subject to the affordability controls of this Ordinance despite the occurrence of any of the following events:
 - a. Sublease or assignment of the lease of the unit;
 - b. Sale or other voluntary transfer of the ownership of the unit; or
4. The entry and enforcement of any judgment of foreclosure on the property containing the unit.

Section 29-1.17. Rent Restrictions for Rental Units; Leases

1. A written lease shall be required for all restricted rental units and tenants shall be responsible for security deposits and the full amount of the rent as stated on the lease. A copy of the current lease for each restricted rental unit shall be provided to the Administrative Agent.
2. No additional fees or charges shall be added to the approved rent (except, in the case of units in an assisted living residence, to cover the customary charges for food and services) without the express written approval of the Administrative Agent.
3. Application fees (including the charge for any credit check) shall not exceed five percent of the monthly rent of the applicable restricted unit and shall be payable to the Administrative Agent to be applied to the costs of administering the controls applicable to the unit as set forth in this Ordinance.
4. No rent control ordinance or other pricing restriction shall be applicable to either the market units or the affordable units in any development in which at least 15% of the total number of dwelling units are restricted rental units in compliance with this Ordinance.

Section 29-1.18. Tenant Income Eligibility

1. Tenant income eligibility shall be in accordance with N.J.A.C. 5:80-26.13, as may be amended and supplemented, and shall be determined as follows:
 - a. Very low-income rental units shall be reserved for households with a gross household income less than or equal to 30 percent of the regional median household income by household size.
 - b. Low-income rental units shall be reserved for households with a gross household income less than or equal to 50 percent of the regional median household income by household size.
 - c. Moderate-income rental units shall be reserved for households with a gross household income less than 80 percent of the regional median household income by household size.

2. The Administrative Agent shall certify a household as eligible for a restricted rental unit when the household is a very low-income household, low-income household or a moderate-income household, as applicable to the unit, and the rent proposed for the unit does not exceed 35 percent (40 percent for age-restricted units) of the household's eligible monthly income as determined pursuant to N.J.A.C. 5:80-26.16, as may be amended and supplemented; provided, however, that this limit may be exceeded if one or more of the following circumstances exists:
 - a. The household currently pays more than 35 percent (40 percent for households eligible for age-restricted units) of its gross household income for rent, and the proposed rent will reduce its housing costs;
 - b. The household has consistently paid more than 35 percent (40 percent for households eligible for age-restricted units) of eligible monthly income for rent in the past and has proven its ability to pay;
 - c. The household is currently in substandard or overcrowded living conditions;
 - d. The household documents the existence of assets with which the household proposes to supplement the rent payments; or
 - e. The household documents reliable anticipated third-party assistance from an outside source such as a family member in a form acceptable to the Administrative Agent and the owner of the unit.
3. The applicant shall file documentation sufficient to establish the existence of the circumstances in 1.a. through 2.e. above with the Administrative Agent, who shall counsel the household on budgeting.

Section 29-1.19. Municipal Housing Liaison

1. The Township of Chatham shall appoint a specific municipal employee to serve as a Municipal Housing Liaison responsible for overseeing the Township's affordable housing program, including overseeing the administration of affordability controls on the affordable units and the affirmative marketing of available affordable units in accordance with the Township's Affirmative Marketing Plan; fulfilling monitoring and reporting requirements; and supervising Administrative Agent(s). - 2. The Affirmative Marketing Plan is a regional marketing strategy designed to attract buyers and/or renters of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, marital or familial status, gender, affectional or sexual orientation, disability, age or number of children to housing units which are being marketed by a developer, sponsor or owner of affordable housing. The Affirmative Marketing Plan is intended to target those potentially eligible persons who are least likely to apply for affordable units in that region. It is a continuing program that directs marketing activities toward Housing Region 2 and is required to be followed throughout the period of restriction.
- 3. The Affirmative Marketing Plan shall provide a regional preference for all households that live and/or work in Housing Region 2, comprised of Morris, Monmouth and Ocean Counties.
- 4. The municipality has the ultimate responsibility for adopting the Affirmative Marketing Plan and for the proper administration of the Affirmative Marketing Program, including initial sales and rentals and resales and rerentals. The Administrative Agent designated by the Township of Chatham shall implement the Affirmative Marketing Plan to assure the affirmative marketing of all affordable units.
- 5. In implementing the Affirmative Marketing Plan, the Administrative Agent shall provide a list of counseling services to low- and moderate-income applicants on subjects such as budgeting, credit issues, mortgage qualification, rental lease requirements, and landlord/tenant law.
- 6. The Affirmative Marketing Plan shall describe the media to be used in advertising and publicizing the availability of housing. In implementing the Affirmative Marketing Plan, the Administrative Agent shall consider the use of language translations where appropriate.

8. Applications for affordable housing shall be available in several locations, including, at a minimum, the County Administration Building and/or the County Library for each county within the housing region; and the municipal administration building in the municipality in which the units are located; and the developer's rental office. Applications shall be mailed to prospective applicants upon request.
9. The costs of advertising and affirmative marketing of the affordable units shall be the responsibility of the developer, sponsor or owner.
10. The affirmative marketing plan shall specifically notify the following community and regional organizations in advertisement for affordable housing:
 - a. Fair Share Housing Center, Cherry Hill.
 - b. NJ State Conference of the NAACP, Trenton.
 - c. Latino Action Network, Freehold.
 - d. The Morris County Chapter of the NAACP, Morristown.
 - e. Newark NAACP, Newark.
 - f. East Orange NAACP, East Orange.
 - g. Housing Partnership for Morris County, Dover.
 - h. Community Access Unlimited, Inc., Elizabeth.
 - i. NORWESCAP, Phillipsburg
 - j. Homeless Solutions of Morristown, Cedar Knolls.
 - k. Supportive Housing Association, Cranford.

Section 29-1.22. Enforcement of Affordable Housing Regulations

1. Upon the occurrence of a breach of any of the regulations governing an affordable unit by an Owner, Developer or Tenant, the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, a requirement for household recertification, acceleration of all sums due under a mortgage, recuperation of any funds from a sale in violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.
2. After providing written notice of a violation to an Owner, Developer or Tenant of a low- or moderate-income unit and advising the Owner, Developer or Tenant of the penalties for such violations, the municipality may take the following action(s) against the Owner, Developer or Tenant for any violation that remains uncured for a period of 60 days after service of the written notice:
 - a. The municipality may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation or violations of the regulations governing the affordable housing unit. If the Owner, Developer or Tenant is adjudged by the Court to have violated any provision of the regulations governing affordable housing units the Owner, Developer or Tenant shall be subject to one or more of the following penalties, at the discretion of the Court:
 - 1) A fine of not more than \$500.00 per day or imprisonment for a period not to exceed 90 days, or both, provided that each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not a continuation of the initial offense;
 - 2) In the case of an Owner who has rented a low- or moderate-income unit in violation of the regulations governing affordable housing units, payment into the Township of Chatham Affordable Housing Trust Fund of the gross amount of rent illegally collected;
 - 3) In the case of an Owner who has rented a low- or moderate-income unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the Court.

- b. The municipality may file a court action in the Superior Court seeking a judgment that would result in the termination of the Owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any such judgment shall be enforceable as if the same were a judgment of default of the First Purchase Money Mortgage and shall constitute a lien against the low- or moderate-income unit.
- 1) The judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the Sheriff, at which time the low- and moderate-income unit of the violating Owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any First Purchase Money Mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality, including attorney's fees. The violating Owner shall have his right to possession terminated as well as his title conveyed pursuant to the Sheriff's sale.
 - 2) The proceeds of the Sheriff's sale shall first be applied to satisfy the First Purchase Money Mortgage lien and any prior liens upon the low- and moderate-income unit. The excess, if any, shall be applied to reimburse the municipality for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the municipality in full as aforesaid, the violating Owner shall be personally responsible for the full extent of such deficiency, in addition to any and all costs incurred by the municipality in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus, if any, shall be placed in escrow by the municipality for the Owner and shall be held in such escrow for a maximum period of two years or until such earlier time as the Owner shall make a claim with the municipality for such. Failure of the Owner to claim such balance within the two-year period shall automatically result in a forfeiture of such balance to the municipality. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the municipality, whether such balance shall be paid to the Owner or forfeited to the municipality.
 - 3) Foreclosure by the municipality due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as the same apply to the low- and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The Owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.
 - 4) If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the First Purchase Money Mortgage and any prior liens, the municipality may acquire title to the low- and moderate-income unit by satisfying the First Purchase Money Mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the First Purchase Money Mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the low- and moderate-income unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess which would have been realized from an actual sale as previously described.
 - 5) Failure of the low- and moderate-income unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the Owner to accept an offer to purchase from any qualified purchaser which may be referred to the Owner by the municipality, with such offer to purchase being equal to the maximum resale price of the low- and moderate-income unit as permitted by the regulations governing affordable housing units.

- 6) The Owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the Owner.
