Dear Mayor Al Morgan,

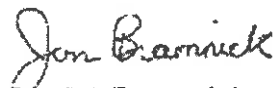

These last few weeks have been difficult for all our towns. In light of the recent prolonged power outages in our area, JCP&L needs to provide accountability as to their preparation for and response to the latest storm. Their lack of communication and delay in restoration time are unacceptable. The State Legislature plans on holding a hearing with all of the electric companies in New Jersey but we wanted to set up a meeting with you all directly.

Please let us know if you would be interested in joining the District 21 Legislative team in meeting with JCP&L regarding the recent storm. Once we know how many mayors are interested in participating, we will work on setting up this meeting.

You can send your response to [aswmunoz@njleg.org](mailto:aswmunoz@njleg.org) or call our Summit office at 908-918-0414.

Thank you,

  
Thomas H. Kean
