RE: Proposed Rate Increases for Golf Course

Council Members:

The Director of the Department of Public Works advises that it is desirable to increase rates at the Hyde Park Golf Course for year 2018. Attached hereto please find a spreadsheet of these proposed increases. It should be noted that for 2018 the "disability" rate is being eliminated and will extend only to "military", both active and veterans. The rate that the military will pay will correspond with the rate previously designated for "disability".

Will the Council so approve?

Respectfully submitted,

PAUL A. DYSTER
Mayor
