The City Council  
Niagara Falls, New York

*RE: Agreement with GEI Consultants, Inc., PC (“GEI”)*

Council Members:

Various City officials have been in discussions with GEI as concerns an initiative that will assist the City in the development of a green infrastructure. GEI has offered to prepare a Phase 1 Sustainable Infrastructure Plan (“SIP”) at no cost to the City. GEI advises that the Phase 1 SIP would outline a full Phase 2 SIP.

Attached hereto is a copy of a proposal from GEI outlining this proposal.

Will the Council authorize the City to move forward with GEI and authorize the Mayor to execute an agreement with GEI provided the same is acceptable in form and content to the Corporation Counsel?

Respectfully submitted,

PAUL A. DYSTER  
Mayor
