The City Council
Niagara Falls, New York

*RE: Continuation of agreement with Niagara County Society for the Prevention
of Cruelty to Animals ("NSPCA")*

Council Members:

Representatives from the City and the NSPCA have been meeting with respect to the scope of services provided to the City by the NSPCA and the duration of those services during calendar year 2018. The existing agreement between the City and the NSPCA expired on December 31, 2017. The parties have agreed that while discussions continue as concerns the future, it is in the best interest of the City and the NSPCA to extend the existing agreement on the same terms for a period of six (6) months. The cost to the City is \$25,939.14 per month for a total of \$155,634.84. Attached hereto is a six (6) month agreement which reflects a six (6) month term and is otherwise in the same form as the agreement that expired at the end of 2017.

Funding is available from budgeted funds.

Will the Council so approve and authorize the Mayor to execute a final agreement provided it is in form and content satisfactory to the Corporation Counsel?

Respectfully submitted,

PAUL A. DYSTER
Mayor

Funding is in place
