RE: Camera Installations on Verizon Equipment

Council Members:

Lieutenant Drake advises that he has been in contact with Verizon License Administration Group pertaining to an agreement to allow the City to install cameras on various Verizon poles. Attached hereto is a copy of the agreement. The only cost to the City will be any costs incurred by Verizon in making the poles ready for installations.

Will the Council so approve and authorize the Mayor to execute an agreement in form and substance satisfactory to the Corporation Counsel?

Respectfully submitted,

PAUL A. DYSTER
Mayor
