Council Members:

The City is in receipt of six (6) proposals from Lime Energy Service, a National Grid vendor pertaining to LED upgrades both inside and outside six (6) Fire Stations. These upgrades will result in annual savings estimated to be \$9,275.00. The cost of these upgrades is \$8,098.41. Funding is available in the Firefighters Division budget line A.3410.3010.0422.000 – Light & Power expense.

Will the Council so approve and authorize the Mayor to execute any agreements required provided the same are in form and content satisfactory to the Corporation Counsel?

Respectfully submitted,

PAUL A. DYSTER
Mayor

Funding is in place
