The City Council  
Niagara Falls, New York

*RE: Payment of Hydrant Maintenance-Availability Expense*

Council Members:

It is requested that the sum of \$217,042.00 be made available to pay the Niagara Falls Water Board pursuant to agreement for making fire hydrants available to the City throughout the City and for some required maintenance.

This is an annual charge and historically has been paid with casino revenues. Excess funds are available in capital code H0812 which represents the non-discretionary portion of casino revenue pursuant to 99-H of the State Finance Law.

Will the Council so approve?

Respectfully submitted,

PAUL A. DYSTER  
Mayor

Funding is in place
