*RE: Continuation of Municipal Cooperation Agreement with School District for
School Resource Officers ("SRO")*

Council Members:

The agreement that the City has had in place with the School District which, among other things, calls for the City to provide uniformed officers from the NFPD to serve as SROs at various schools in the School District has worked out well for the School District and the City. It is therefore requested that this agreement continue during the first six (6) months of 2019. It is proposed that two (2) NFPD Officers serve as SROs at the High School and one (1) each to serve as SROs at LaSalle Prep and Gaskill Prep. Attached hereto is a copy of a proposed agreement between the City and the School District. Note that the District will be reimbursing the City for the entire cost of these four (4) SROs which totals \$280,788.00.

Will the Council so approve and authorize the Mayor to execute a Municipal Cooperation Agreement provided the same is in form and content satisfactory to the Corporation Counsel?

Respectfully submitted,

PAUL A. DYSTER
Mayor
