

To the Residents of the City of Niagara Falls,

It is my privilege as Mayor to welcome you back to City Hall. Listed below is a list of guidelines to keep everyone safe:

- The **public entrance to the building will now be the main entrance on Main Street.** Handicap access will be at the ramp entrance off the parking lot and when you arrive, please use the phone mounted there to gain entry.
- Everyone entering the building will be required to wear face mask covering.
- Maintain social distancing of 6 feet.
- If you are coming to City Hall to complete in-person transactions at the Billing & Collections Office or the City Clerk's Office, **you may experience a long wait time as each office will be servicing only 2 customers at one time.** You are encouraged when making a payment or submitting documents to do so by mail or online.
- If you have business with any of the other City departments in City Hall, please call the respective department to make an appointment, **departments will be operating by appointment only.** When arriving for your appointment, please access the ramp entrance off the parking lot. Upon arriving, use the phone that is mounted outside and indicate your name and the department with which you have an appointment. Someone from that department will meet you and bring you to the appropriate location for your appointment.

Mayor Robert M. Restaino
