

STAR Rebate Checks

A STAR Rebate Program has been enacted under which rebate checks for STAR recipients are to be mailed automatically by October 31st of this year. The State Department of Taxation and Finance (DTF) is charged with implementing this new program.

DTF will be putting a process and an application in place for those who didn't get STAR but would have been eligible for the rebate. DTF plans to have the application forms available by late September and will be available in the Assessors Office for eligibility verification.

The DTF has established a number to answer questions from the public:

1-877-6-STAR-NY (1-877-678-2769)
