631 Chilton Avenue

Niagara Falls, NY

The City of Niagara Falls is seeking competitive proposals for the purchase and renovation of 631 Chilton Avenue, Niagara Falls, New York 14301.

(Rendering of RMP Parkway Removal)

Thank you for considering an investment in the City of Niagara Falls. 631 Chilton Avenue is located on the brim of the Niagara Gorge. In March 2016, New York State Governor Andrew Cuomo announced a major waterfront renovation project that includes the removal of the Robert Moses Parkway (Phase II) beginning in 2017. Chilton Avenue, the city's oldest street, will finally have pedestrian access to the majestic Niagara Gorge and newly created park land.

Today is the right time to invest in Chilton Avenue and Niagara Falls. Our city is experiencing an impressive \$800 million in new developments, including a brand new Intermodal Railway Station, Culinary Institute, waterfront access improvements, several new hotels and small businesses. Much of that new investment is within a short walking distance from 631 Chilton Avenue and ready for you to discover. In addition, this property is located within seven miles of the city's top three employers (Niagara Air Reserve Station, the Seneca Niagara Casino, and Niagara Falls Memorial Medical Center).

My administration looks forward to reviewing your innovative proposal and assisting you in any way possible.

Sincerely,
Mayor Paul A. Dyster

The City of Niagara Falls is seeking competitive purchase/renovation proposals for 631 Chilton Avenue, located in a nationally registered historical neighborhood, mere yards from the Niagara Gorge.

The City will accept proposals, received in the Purchasing Department office at City Hall, Room 17, 745 Main Street, Niagara Falls, New York, 14302-0069 on or before 12:30PM on May 13, 2016. All developers submitting proposals will be notified of the selection of the successful developer by mail on or around May 30, 2016.

A certified or bank check in the amount of \$500.00, payable to the City Controller of the City of Niagara Falls, NY, is required with each Proposal. This check will be returned in the event that the City does not select your proposal. If your Proposal is selected, the \$500 will be applied as a partial deposit against the purchase price.

RFP Requirements:

- 1. Identify if the proposed owner or a property manager will live in one of the residential units as a prime occupant.***
 - 2. Identify if the proposed owner would be willing to reduce the amount of residential units in the building as part of the renovation.***
 - 3. Identify the proposed owner and the proposed construction and management contractors, if known. Identify all investors and officers in the owner and management entities. Provide information of comparable project development and management experience for owners or investors who will be active in the development or management.***
 - 4. Provide a project budget. Identify proposed sources and uses of financing and equity investment.***
 - 5. A complete project description, including proposed uses, scale, quality of materials, simple site plan and project sketches or floor plans.***
 - 6. Project timetable, including dates, for obtaining financing, closing, start and completion of construction.***

Background/Available Incentives

Wells Fargo Bank donated this property to the City of Niagara Falls in 2015, along with \$40,000 in grant funds to be dedicated to renovation of vacant properties. In turn, the City of Niagara Falls is offering this property through the RFP process, and converting that \$40,000 Wells Fargo Bank grant to matching market rate housing grant funds to a qualified developer/property manager for renovation of the building. In order to be eligible for this reimbursable grant, the applicant must:

1) Submit a renovation and property management plan to the Niagara Falls Community Development Department;

2) Match renovation funds on a dollar for dollar basis, up to \$40,000. Matching funds will be calculated and awarded based upon the qualified developer/property manager's cash investment. For the purposes of this matching grant, "sweat" equity will not count toward qualified developer/property manager's cash investment. The reimbursement will be provided upon successful completion of a municipal inspection and issuance of a certificate of occupancy for the units; and

3) Agree to own and manage the property for no less than five years.

Purchase of this property does not require acceptance of the market rate housing renovation grant. However, based on neighborhood input, selection preference will be given to developers that are willing to live in one of the units as a prime occupant and to submit a plan to reduce the number of residential units within the building.

Selection Criteria

The City, in its sole discretion, will evaluate the proposals on the following basis:

- 1. The highest and best use of building.** Preference will be given to proposals that emphasize prime occupancy and of on-site property management. Preference will also be given to proposals that reduce the amount of residential units within the building.
- 2. Total investment and proposed property enhancement.**
- 3. The ability of the ownership/management team to accomplish the proposed project based upon past development history, financial strength and demonstrated expertise in operations similar to the proposed development. Provide detail of similar development and/or operations. Simple narratives of accomplishments are not sufficient.**
- 4. Date of completion of renovation. Earlier completion will be favored. Provide information to document the ability to perform in conformity with your timetable. Renovation should commence no later than September 1, 2016.**
- 5. Price to be paid to the City. Proposals that provide the highest total investment, including purchase price will be favored.**

The successful Proposal will assume all responsibility for all conditions on the site. The successful Proposal will be subject to City Planning Board and City Council approval. Closing and transfer of the property to the successful Developer will take place when the Developer has obtained all required approvals.

Closing will take place at the time of closing of renovation financing, if any. Construction will start within 30 days of closing. In the event construction ceases for any unreasonable period of time, the City may deem the project abandoned and the property will revert to the City. The City reserves the right to reject any or all proposals and to select any one proposal at its sole discretion. The City reserves the right to negotiate with the successful Developer as to any terms contained herein
