Council Members:

The Police Superintendent is proposing to implement a City-wide program commencing April 15, 2013 and concluding August 31, 2013, which he refers to as “Safe Neighborhood Active Patrols (S.N.A.P.)”. The S.N.A.P. Program is intended to utilize walking and bicycle police patrols in certain neighborhoods throughout the City designated by the Police Superintendent to increase police visibility and police presence. The neighborhoods targeted for this Program will be determined on a rolling basis as the result of statistical analysis and crime mapping, community/citizen complaints and NFPD field intelligence. The hours will vary depending on crime statistics and intelligence generated. Attached hereto (on file in the City Clerk’s Office) is a summary of the S.N.A.P. Program provided by the Police Superintendent.

The funding for this Program is not anticipated to exceed \$50,000. Funding is available from A.1990.7630.0449.599.

The Police Superintendent is also recommending the commencement of a crime fighting initiative in the downtown area. This initiative will consist of police presence in electric vehicles, bicycles and walking. The intent here is to be proactive in patrolling all downtown areas frequented by tourists, including attractions, hotels, parking lots and the City-owned parking ramp. This initiative is also intended to commence on April 15, 2013 and conclude August 31, 2013. Similarly, the objective here is to increase police visibility and police presence as a deterrent to crime.

The cost of this downtown initiative is not expected to exceed \$25,000. Funding is available from S.3120.2787.0140.000.

Will the Council so approve?
