

CITY OF NIAGARA FALLS

5

TO: City Council
FROM: Chairman
Traffic Advisory Commission
DATE: November 17, 2021
SUBJECT: AGENDA ITEM:

At the Traffic Advisory Commission meeting held on November 15, 2021 the Commission recommended APPROVAL of the following item:

REMOVE THE STOP SIGNS ON CAYUGA DRIVE AT THE INTERSECTION OF 93rd STREET (FOR EAST AND WEST BOUND TRAFFIC)

Request was made as the resident felt that the Stop Signs were not necessary and were often not being obeyed, creating a hazard and nuisance for pedestrians, other motorists and residents of the area. A petition, signed by approximately 90 residents was submitted along with this request.

Submitted By: Angela Carabello, 9304 Cayuga Drive

It is requested that City Council approve this recommendation.
