***RE: Approval of Granting of an Easement - Aquarium of Niagara
(Allowing for the construction of a concrete pad in furtherance of the
"Whirlpool Commons" Project)***

Council Members:

The City has been requested by the Aquarium of Niagara to grant an easement to allow for the construction of a concrete pad in furtherance of its "Whirlpool Commons" project that was previously supported by the Council. The proposed easement area is owned by the City and is a portion of the removed area of Whirlpool Street adjacent to the Aquarium.

Will the Council approve the granting of the easement and authorize the Mayor to execute the easement agreement and any other documentation necessary to implement the same, provided these documents are in form and content acceptable to the Corporation Counsel?

Respectfully submitted,

ROBERT M. RESTAINO
Mayor
