The City Council  
Niagara Falls, New York

*RE: Agreement between Unified Court System (“UCS”) and the City of Niagara Falls for Court Cleaning and Minor Repairs*

Council Members:

UCS is now establishing a renewal period in the five (5) year term of the City’s agreement with UCS for the City to be reimbursed for cleaning and minor repairs in the portion of the building at 1925 Main Street that is occupied by the UCS. The renewal period commences April 1, 2019 and terminates on March 31, 2020. The proposed budget for this period of time calls for UCS to reimburse the City in the amount of \$280,349.00 for services rendered. Attached hereto is a copy of the letter agreement renewal together with the budget which is labeled “Appendix B.”

Will the Council so approve and authorize the Mayor to execute this renewal letter?

Respectfully submitted,

PAUL A. DYSTER  
Mayor
