BY:

Council Member Ezra P. Scott, Jr.  
Council Member Christopher Voccio

**WHEREAS**, from time to time various organizations and entities request that the City Council waive established parking fees in City owned facilities in an effort to encourage more people to attend events at various venues throughout the City; and

**WHEREAS**, the timing of the request and the meeting schedule of the City Council sometimes does not result in the City Council being able to entertain those requests in a timely fashion; and

**WHEREAS**, the City Administrator oversees all City facilities and has ultimate responsibility for the operation of those facilities.

**NOW, THEREFORE, BE IT RESOLVED**, for the balance of calendar year 2019 this City Council does hereby delegate to the City Administrator the ability to waive established parking fees based upon the requests submitted by various organizations and entities provided the organization or entity requesting such fee waiver provides the City Administrator good cause to do so.

**AND BE IT FURTHER RESOLVED** that the City Administrator, in his discretion, is authorized to utilize a committee of individuals appointed by him to assist in this delegated task.
