It is proposed to extend the time of completion for expending the grants by one year, with no additional funds appropriated, through June 30, 2022. The second round, approved in December, expire June 20, 2022. This will allow all CARES grants to expire at the same time.

Will the Council vote to approve the extension presented herein and to authorize the Mayor to execute any documents necessary to effectuate the same, provided these documents are in form and content acceptable to the Corporation Counsel?

Respectfully submitted,

ROBERT M. RESTAINO
