The City Council
Niagara Falls, New York

*RE: State and Municipal Facilities Program Grant Award
(Purchase of Command Vehicle for Niagara Falls Fire Department)*

Council Members:

The City of Niagara Falls was recently awarded a State and Municipal Facilities Program Grant in the amount of \$50,000.00 grant from the Dormitory Authority of the State of New York (“DASNY”). The Niagara Falls Fire Department applied for this grant in order to purchase a new Command Vehicle for Battalion Chiefs (“Car 80”), along with the installation of the necessary emergency and computer tablet equipment and accessories.

There is no local cash match associated with this grant. The total cost of the purchase of the vehicle and installation of the equipment and accessories is \$51,711.64; funding for the additional \$1,711.64 is available from Tribal Revenue reserves.

Will the Council so approve the acceptance of this grant funding and authorize the Mayor to execute any documents necessary to implement the same, provided these documents are in form and content acceptable to the Corporation Counsel?

Respectfully submitted,

ROBERT M. RESTAINO
Mayor

Funding Approval:

Daniel Morello, City Controller
City Council Meeting, February 2, 2022
