ROLL CALL

REVIEW AND CORRECTION OF MINUTES

The Board of Building Code Appeals minutes for December 16, 2010 are submitted for approval.

NEW BUSINESS

Alex & Lauren Nieberding; 5974 Gareau Drive:

Proposal consists of fence installation along a property line where a rear neighbor's fence already exists on the other side of an easement; code does not permit, Section 1369.03(a)(3). Note: Neighbor's 6 ft. wood fence does not border the entire property line and was erected under permit in 1997.
