PRESS RELEASE

Troy Florance Unanimously Confirmed to Papillion Ward III City Council Position

PAPILLION, Neb., August 19, 2009 – By a unanimous vote, the Papillion City Council confirmed the appointment of Troy Florance to fill the vacant seat in Ward III. Florance will serve the remainder of the unexpired term, which ends in December 2010. Florance fills the vacancy created when David Black was sworn in as Papillion Mayor on July 21st of this year.

Florance and his wife Rebecca have lived in Papillion since 1993, and raised five children in the community. He has been involved with a number of local groups and activities, including serving as Vice President of the Papio Pool and volunteering with the Papillion Recreation Organization's soccer and baseball programs.

A graduate of Midland Lutheran University in Fremont, Florance currently works as the National Director of Franchise Operations for The Maids International in Omaha. His previous work experience includes working for Oriental Trading Company and First Data, primarily in sales and marketing roles.

“We had a number of qualified candidates for the seat. Troy’s unique blend of community involvement and professional experience made him stand out. He has worked for large companies as well as helped a small business grow. His love for the community will make him an excellent representative for the residents in Ward III,” said Black.
