

Administrative Policy
GOVERNMENT BUILDING PERMIT POLICY
Community Development – A407

Effective Date:

March 2009

Revised Date:

March 2009

Summary

It is the policy of the Town to charge other governmental entities all applicable development fees, including but not limited to water development fees, review fees, and permit fees.

Certain buildings may be exempt from some or all of the Town's development codes, for example Federal, State and Community College buildings. Exemption from certain codes may eliminate certain review and/or permit fees.

Any governmental entity desiring a reduction in any development fee may petition the Council for a reduction.
